# In Flanders Fields

by John McCrae

In Flanders fields the poppies blow

**Between the crosses, row on row,**  
That mark our place; and in the sky  
**The larks, still bravely singing, fly**

Scarce heard amid the guns below.

**We are the Dead.** Short days ago  
**We lived, felt dawn,** saw sunset glow,  
**Loved, and were loved,** and now we lie  
In Flanders Fields.

Take up our quarrel with the foe:

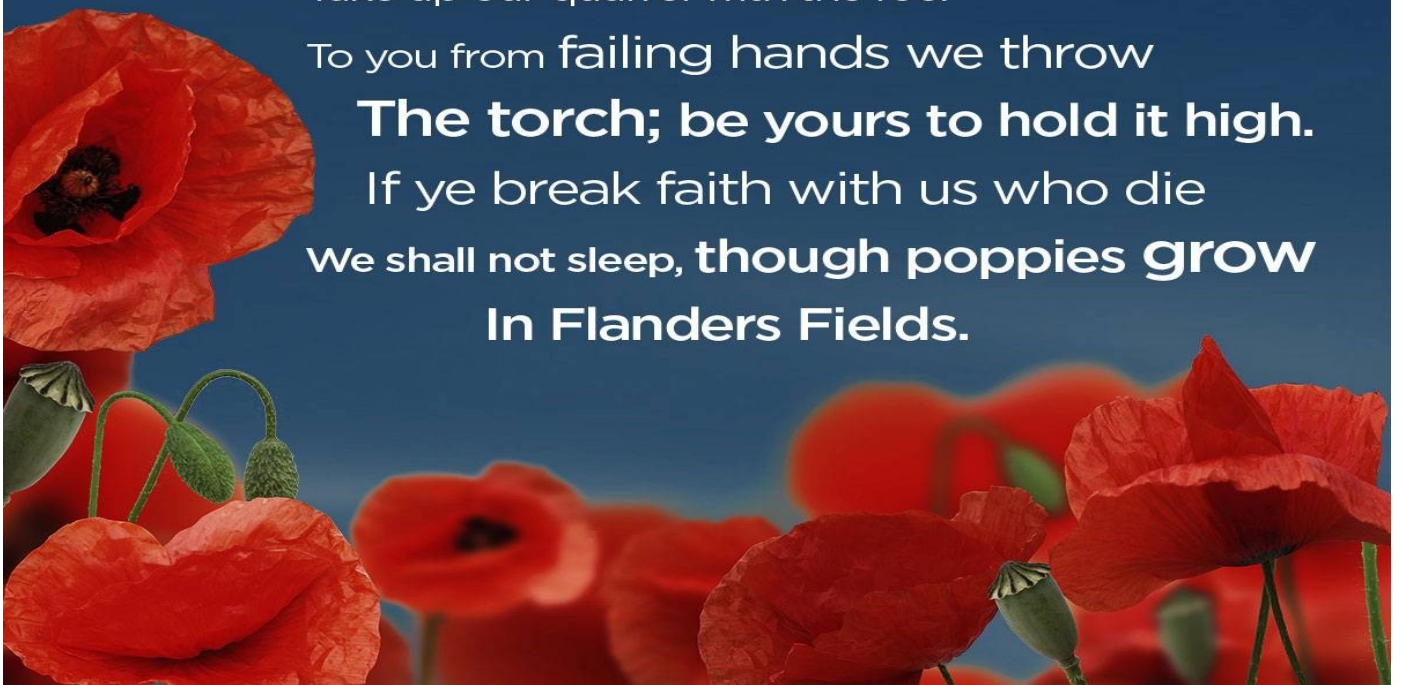

To you from failing hands we throw

**The torch; be yours to hold it high.**

If ye break faith with us who die

We shall not sleep, though poppies **grow**

**In Flanders Fields.**

# MINDFULNESS

## How to Practice Mindfulness

mindful  
mindful.org

1

**Take a seat.** Find a place to sit that feels calm and quiet to you.

2

**Set a time limit.** If you're just beginning, it can help to choose a short time, such as 5 or 10 minutes.

3

**Notice your body.** You can sit or kneel however is comfortable for you. Just make sure you are stable and in a position, you can stay in for a while.

4

**Feel your breath.** Follow the sensation of your breath as it goes out and as it goes in.

5

**Notice when your mind has wandered.** When you get around to noticing this—in a few seconds, a minute, five minutes—simply return your attention to the breath.

6

**Be kind to your wandering mind.** Don't judge yourself or obsess over the content of the thoughts you find yourself lost in. Just come back.

# KINDERGARTEN

## Kindergarten

Community Members, Businesses, and Family Members:

We are committed to improving the student's playtime resources in the Eaton Kindergarten classroom. By doing so we are introducing the use of 'loose parts' into our indoor classroom. Loose parts are materials that children can manipulate, control, combine, and change throughout their play. They enable children to experiment without a pre-determined outcome or 'right' way to do things.

Therefore, we are beginning a loose part collection from a range of materials that children can use in their play. *Please see our list.* If you have any items to donate, please contact Mrs. Palaschak through her email with the loose parts you have to donate. From there she will let you know if we still need those loose parts and where to drop it off. Please ensure all items are safe for children to handle. If you are unsure please ask Mrs. Palaschak before sending.

We look forward to setting up our loose parts play space for the children to explore. If you have any questions you are welcome to email Mrs. [Palaschak](mailto:harmony.palaschak@sunwestsd.ca) at [harmony.palaschak@sunwestsd.ca](mailto:harmony.palaschak@sunwestsd.ca), she will be happy to help.

Thank you for your support!

# Grade 3/4

This month the Grade 3/4 class has been busy! Along with starting their first novel study, Flat Stanley, they have been busy with projects! Together with the Grade 1/2 class, the 3/4's are learning about one another and doing Identity Projects. They are also working on Top 10 Projects in writing! Along with their classes, the class has also had a great time reading with community members, carving pumpkins, and joining in the Halloween Parade!

# Grade 5/6

So proud of our Grade 5/6 spartans today!! They shared their love of storytelling & reading with the EOL seniors & playschool. Such a wonderful day full of sharing, learning & bonding. So much compassion & joy!! We can all #learn something from each other.

Thanks for having us Eatonia Oasis Living, Melissa Hynd and Amy Knutilla!  
We are so fortunate to have you guys!!

# POWER HOUR

On October 16<sup>th</sup>, we held a Halloween Craft Day at Power Hour! We had a great turn out and they enjoyed painting some scary decorations and making their creations fun and unique! We were excited to get into the gymnasium for a Gym Day on the 24<sup>th</sup>! We started out with Line Tag and ended with a rousing game of Dodgeball! Next month we will be holding Power Hour on November 13<sup>th</sup> and November 19<sup>th</sup>. The 13<sup>th</sup> will be a fun Gym Day using hoops to play team games and the 19<sup>th</sup> will be a Tech Day of Coding Day!

We have some exciting news that we would like to share. In August, Nutrien Ag Solutions, held a Charity BBQ in conjunction with the Small Town Showdown Contest put on by CJYM. We are so thrilled to announce that Power Hour placed 3<sup>rd</sup> out of the ten towns involved and were awarded \$2000.00! As well, we were also awarded the proceeds from the Nutrien BBQ, which was approximately \$1100.00! We would like to thank Nutrien Ag Solutions and Gowan Canada, once again, for choosing us as your charity this year! The monies received will go far to enriching the experiences that we will be able to provide the students and we look forward to sharing our adventures with all of you!

Sincerely,

# Midget Volleyball

Congratulations to our Midget Volleyball team of 21 amazing players grades 4-6. Many achieved their very first serves within our home games, as well as games in Marengo and Eston. Our overall record, is 2 very close losses, a tie and a win against a junior girls team. Coach Swan, Clay, Emma E. and I were beyond proud of their efforts and progress. A huge thank you to our amazing parent drivers and all the people who packed the stands for our home games. A Spartan shout out to our amazing student coaches who did a fantastic job!! You are amazing leaders. A huge thank you to Gared and Cohen who were our Team Captains this year. Congratulations to the Midget Volleyball Team on all their progress, leadership, growth and enthusiasm.

Mrs. Bredy

# Junior Girls' Volleyball

The Junior Girls' Volleyball team had a fabulous season this year. The fourteen girls we had this year practiced hard and worked hard to grow as volleyball players. Mr. Hoult and Mrs. Facca enjoyed watching the girls' skills and confidence grow throughout the season. This year, the girls played at league games against teams from Eston, Kindersley, Maren-go, and Plenty. These league games gave the girls the opportunity to use the skills they had been practicing and to learn to work together as a team.

The team also played at tournaments in Eatonia, Lucky Lake, Leader, and Loreburn. A couple of particular highlights were the girls winning the tournament in Lucky Lake, and the grade 7 girls winning the junior B tournament in Leader. Our home tournament was also a particular highlight as we had so many people from Eatonia come out to support the team and cheer us on!

Unfortunately every season, no matter how enjoyable, must come to an end. The girls played hard at section playoffs, but did not advance to districts. Mrs. Facca and Mr. Hoult wish the grade 9 girls good luck next year in senior, and will look forward to working with the grade 7 & 8 girls again next year. As well, Mr. Hoult and Mrs. Facca would like to thank the parents who took the time and fuel to drive us to our many away games and who donated the food and time to make our tournament a success.

Mr. Hoult  
Mrs. Facca

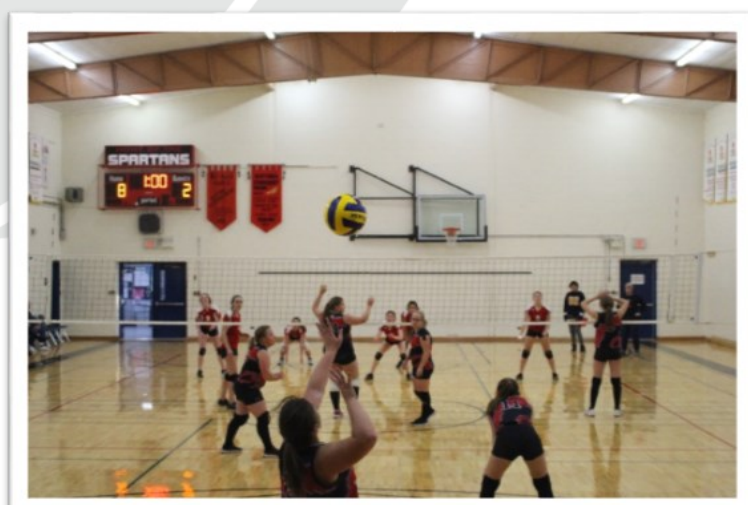

## Senior Girls Volleyball

The past two months have been busy for the Sr. Girls Volleyball Team! They started off their season by attending the Loreburn R.A.V.E. on September 6/7. Since then, the girls have been to the Fox Valley Tournament and the Biggar Tournament! Along with their tournament attendance, the girls have been doing a fantastic job in league, as well as their exhibition games against Leader! The team will be attending Conferences on November 2-3 in Shaunavon.

# Eaton School's Game of Life

On Tuesday, October 22<sup>nd</sup> Eaton School held its first ever Reality Check – Game of Life event. In the Game of Life, students in grades 9-12 were all given a chance to see some of the financial decisions and responsibilities that come with being a working adult.

The students all selected a potential future career and then were given a beginning or average salary for that career. After figuring out a monthly net salary (and getting to witness how much of your paycheque the government gets) students were then tasked with planning a monthly budget and deciding how to spend their salary.

Students had to find a housing option, a vehicle option, purchase insurance, put money in savings, visit a financial advisor, pay for taxes and utilities, and buy fuel, food, clothing, phone, Internet and so forth. They even encountered some life surprises where you could have an unexpected windfall – like some birthday money or, more commonly, an unexpected expense – like a speeding ticket.

What made this event especially enriching for the students is that they didn't only have to chart their expenses on paper, they had to visit booths where business and community representatives talked with the students about their choices, the consequences of that choice, and why they need to make certain financial decisions. The students had some fantastic conversations with community members about their financial choices and ramifications of those choices.

The afternoon was very successful, and students were very engaged in the process of making some adult financial decisions. Eaton School would like to thank the many people and businesses that were able to help us with the day:

The Eaton School Community Council who provided several workers: Lisa Presler,  
Kim Somerville, Amy Knuttila, Deanna Callsen, & Nicole Perry  
Prairie Centre Credit Union – Amanda Stevens & Ashley Hamilton

# **SPARTAN CHRISTMAS TURKEY DINNER**

**Thursday, December 19<sup>th</sup> at noon**

Eaton School will hold its third annual Spartan Christmas Turkey Dinner on Thursday, December 19<sup>th</sup> at noon.

We are committed to maintaining a strong sense of community within our student body and staff and there is no better way to do this than a turkey dinner with all the trimmings! For both students and staff, it has become an anticipated coming-together of our Spartan family.

Our menu will include: turkey, stuffing, gravy, potatoes, cream corn, peas, cranberries, Caesar salad, buns, and mini cherry cheesecakes or sugar cookies for dessert.

Putting on such a big dinner for 133 students and 28 staff (including teachers, EAs, secretary, librarian, custodians and bus drivers) requires the support of our SCC, Eatonia Lions (carving and serving), and our community. If you are able to help in the prepping and cooking of the meal, please call or text Shelly Eckstein at 306.460.9525. If you are able to donate anything from the list below or prefer to make a cash donation, please call or text Lisa King at 306.460.8677 or contact the school at 306.967.2536.
