STUDENT ATTENDANCE

We have an attendance system in place for all students from Kindergarten to Grade Twelve to ensure that all of our students arrive at school safely.

If your child is going to be absent from school, please call our school secretary, Mrs. Hoffman at **306-967-2536** to inform her of the absence. If it is more convenient, you can send a note or fax us at 306-967-2580.

Our morning supervision begins at 8:40 a.m. and we request that our town students not arrive at school before that time. Our bus drivers have also targeted their arrival time for 8:40 a.m.

Eaton School Locked Doors Policy

Please note that in order to ensure the safety of our students, a locked- doors policy has been implemented at Eaton School.

All exterior doors, except the Main Entrance doors, will be locked between 9:00-11:50 and 12:40-3:26.

We ask that all visitors, or students arriving late, enter the Main Entrance and check in at the office.

Thank you!

Principal's Message - 2019-2020

The start of a new year is always so exciting! Eaton staff busily prepare classrooms, plan for the students' return and get ready for another school year. Students are excited to pick up their school supplies and can't wait to see their friends again. Parents look forward to returning to a routine. Kindergarten students in the Class of 2032 step through the doors of Eaton School to become Spartans and begin their educational journey with mixture of nervousness and excitement. Graduates of the Class of 2020 are pumped about their last year of public school. Their parents can hardly believe that their children started kindergarten 12 years ago and wonder where the time has gone.

For the most part, Eaton School staff remained the same: Mrs. Follensbee, Miss Rrohrke, Mrs. Bredy, Mr. Hayes, Mrs. Mayes, Mr. Hoult, Mrs. Rogers, Mr. Motier, Mrs. Toner, Mrs. Quinney, Mrs. Nunweiler, Mrs. Facca,

Mrs. McKenzie, Ms. Lee, Ms. Radies, Mrs. Hoffman and Mrs. King. However, we did have a few staffing changes for the upcoming school year. Congratulations to Mrs. Melanie Charnetski on the arrival of her baby boy Grayson James who was born on Sept 7th . We would like to welcome back Mr. Adam Naismith who is half-time in the Grade 5/6 and 7/8 classrooms for Social and the Grade 5/6 Science and Phys Ed. Welcome to Ms. Diedra Whitell who not only will be continuing the Eaton Band program with Band 5, Jr Band (Gr 6, 7, 8) and Sr Band (Gr 9, 10, 11, 12) but will also be teaching Music 1/2 and 3/4, plus Gr 7/8 ELA, Math, Science, and Health. Mrs. Harmony Palaschak is new to Eaton and will be guiding the Kindergartens in their important first year of learning at Eaton. Finally, we have a 0.5 Educational Assistant increase, so welcome to

Mrs. Candice Connolly who is a Spartan Alumni.

Several plans are already underway to make this another great year at Eaton School. The gym floor was refinished over the summer and is it ever bright and shiny! The Spartan Football team and the Senior Girls' Volleyball team geared up for a home game and an away tournament respectively in the first week back. Junior girls and Midget co-ed teams are also ready to hit the court. Fans will want to come to the gym Sept 14 to cheer on the Juniors at their Home tournament. A student planned Character Day Goose Chase on Sept 20 will take our entire student body and staff out into the community of Eatonia to perform tasks and activities that reinforce character while engaging with our community members. In October, we will be celebrating Education Week. Dates have also been set for report cards, conferences, Christmas Concert, the Spartan Turkey Dinner, and much more.

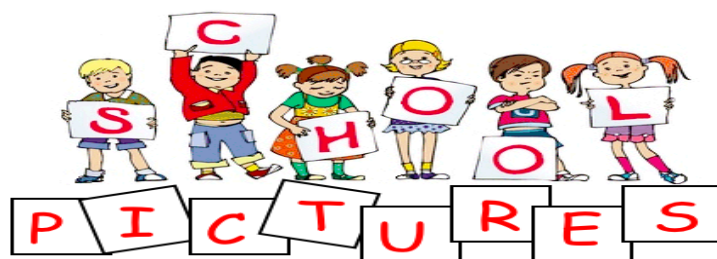

Eaton School has been building character, culture and skills/knowledge and while these continue to be goals, we are also looking to work with our School Community Council and outside agencies to increase awareness, understanding and support of mental health and wellness. We aim to promote parent and community engagement, especially as Eaton School opened in 1920 so we will be joining the Town of Eatonia in celebrating 100 years next fall.

Our school vision is EXCELLENCE THROUGH EDUCATION. And, our mission at Eaton School is to "provide a personalized program and a nurturing climate in which students can achieve excellence through education in partnership with the family and community, with the goal of becoming life-long learners and responsible 21st Century citizens in a global society."

With this in mind, we are excited for what is to come and how we will continue to work together to make Eaton a great school!

Yours in Education,

Lisa D. King
