The Ministry of Education has approved the Sun West 2021-22 School Year Calendar. The calendar was developed by a committee consisting of representatives of the Sun West administration, teachers, staff, School Community Councils, students and Board of Education members. They considered input gathered from a survey that was distributed to all staff, parent/guardians and students and that had over 1100 respondents.

# IMPORTANT BAND INFORMATION

## Eaton Band Performances

This year, with COVID restrictions, the band students are embarking on a new journey; however, they are bringing back a former tradition of Eaton school! Students will be trying their hand at Marching Band! There will be three different evenings of Marching Band, as to keep the cohorts separate.

The evenings for the groupings are as follows:

Senior Band (9-12s): **June 1st @ 6:30pm**

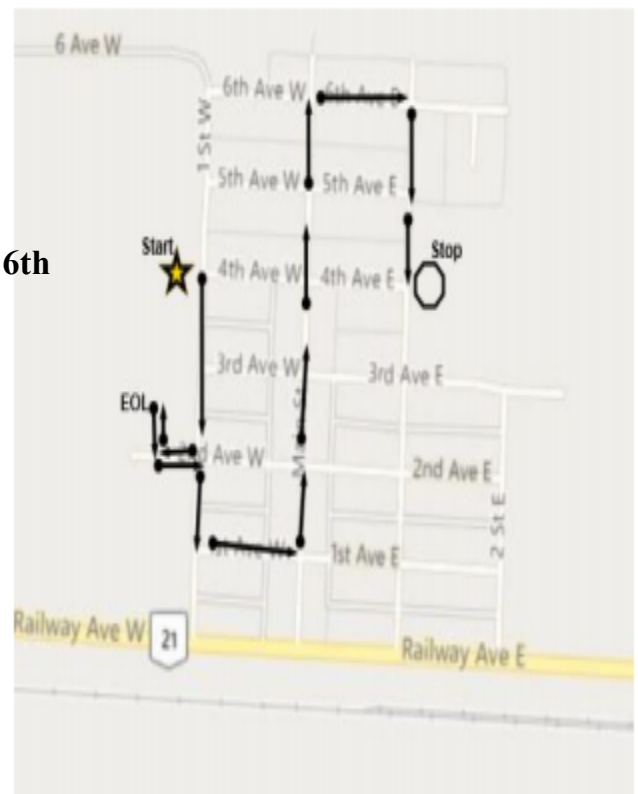

Gr. 7/8 Band: **June 8th @ 6:30pm**

Gr. 5/6 Band: **June 9th @ 6:30pm**

**Gr. 5/6 only marching down Main Street from 1st to 6th**

There will not be alternative dates, if the weather is not cooperative, students will perform their piece at the school, and it will be recorded for families and friends to watch!

Please follow current COVID restrictions while sitting in vehicles, lining up on main street, or enjoying from the comforts of your front yard.

**Eaton Senior Marching Band Performance—June 1st @ 6:00pm**

**Eaton 7/8 Marching Band Performance—June 8th @ 6:00pm**

**Eaton 5/6 Marching Band Performance—June 9th @ 6:00pm**

# Happy Retirement!

## *CONGRATULATIONS BEN BUTT!*

Ben got his bus driver license at age 19 in 1965. For the first several years, he drove routes to Westcliffe in Marengo and as a spare driver for Eatonia and Marengo. Ben then took over a permanent Eatonia route and he has been driving the same route for the past 16 years. He has safely transported hundreds of students to and from school over the years. Thank you, Ben, for your dedication to a career spanning over 55 years! Enjoy your well-deserved retirement!

*56 year career as Bus Driver!*

# Happy Retirement!

**Mrs. Lisa Rogers began her teaching career in Calgary 31 years ago. Then in 2002, Mrs. Rogers moved to Kindersley and joined the Eaton School Family.**

**Over the 19 years that she has been at Eaton School, Mrs. Rogers has not only been the Student Support Teacher, but she has also taught in K-6 classes.**

**We appreciate her planning and organizing of Remembrance Day Services and the Legion Poster/ Essay Contest entries.**

**31 years is a milestone, Mrs. Rogers! We wish you all the best in your well-earned retirement!**

MRS.  
ROGERS

**We will miss you!**

**Spartans would like to send best wishes for a very  
Happy Retirement to Mrs. Tracy Quinney!**

**Mrs. Quinney joined the Eaton Staff in 2007 as an Educational Assistant. Over the past 14 years, she has worked with students, supported teachers, and lent a helping hand wherever she was needed (from reading to pumpkin carving to cooking class or flipping grill cheese and burgers in the canteen).**

**Eaton won't be the same without you, Mrs. Quinney!**

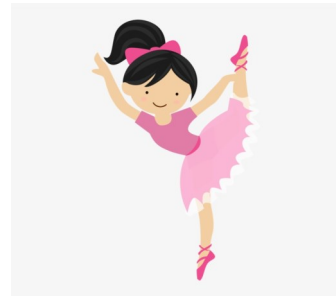

**Enjoy your retirement!**

## SPIRIT DAYS

**June 11—"er" Day**  
**(Dress up as something that ends in "er")**

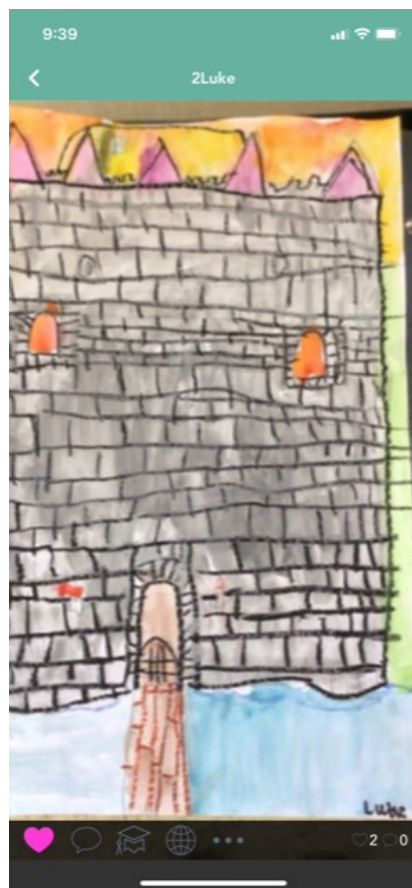

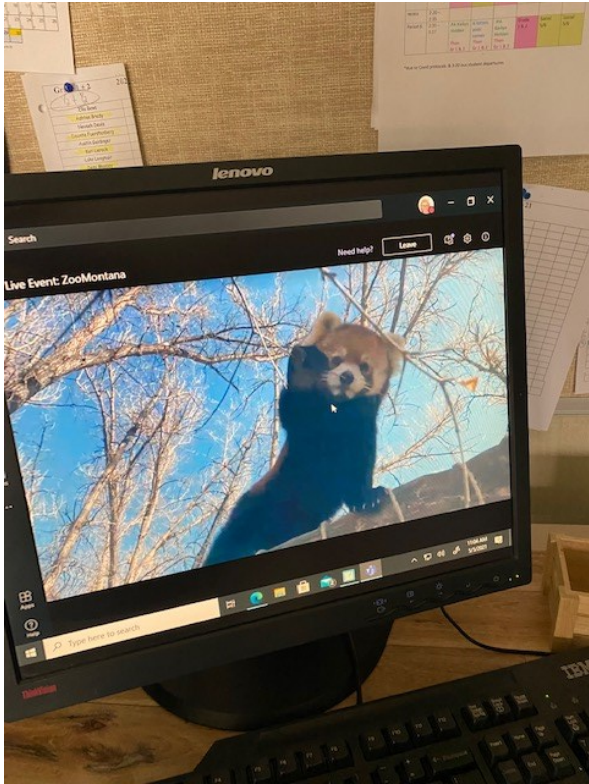

**June 18—Character Day (from a book, movie etc.!)**

# Grade 1 & 2 happenings!!

We are into full swing with a Medieval mysterious room. We are writing creative juicy medieval stories that are so engaging! We took a virtual Flipgrid trip to Zoo Montana which was live and fantastic. Students are enjoying relaxing time at recess drawing with sidewalk chalk. It's all great in Grades 1 & 2!

# Grade 3/4

As the end of the school year begins to close in, the grade 3/4 class has been working hard to finish up units. We examined animal furs and metis beadwork, and learned about Metis history in Saskatchewan. We have been doing a great job of using our vocabulary words in our everyday speech and writing to earn time outside. We are very excited to learn about animal habitats for our next unit of science!

# BREDY'S BUNCH

Spartans k-10 have contributed so much to the Spartan Outdoor Space (S.O.S)! We have been learning about pests, composting, crop testing and planting our food.

Mr.Hayes and his PAA class are building a shed. Grade 5/6 learned about drip irrigation and installed the system. Maddy, Logan and Ryder even built a ukulele.

Congratulations to the following students who won for their poster submission to the legion:

Paxton Stevens—1st Primary black & white poster

Brendan Becker—2nd Primary black & white poster

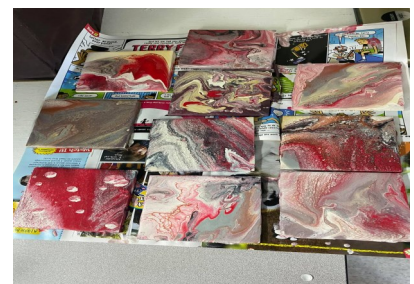

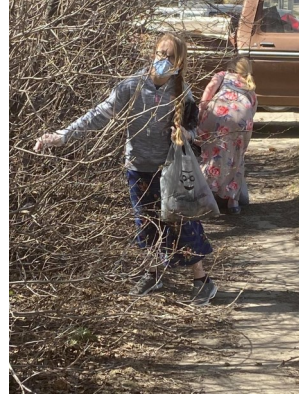

Grace Becker—3rd Primary black & white poster

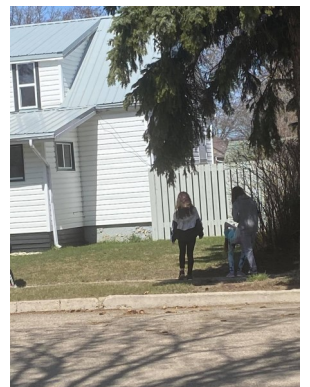

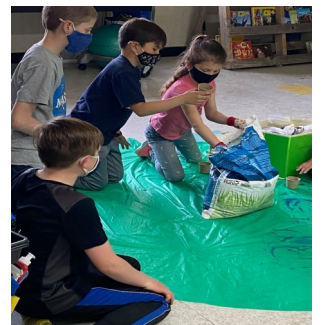

Brooklyn Schmaltz—Tied for 3rd Intermediate black & white poster

**Thank you** to the Town of Eatonia for installing amber lights at both ends of the school zone! We appreciate the lights to remind drivers to slow down and watch for our students on foot and riding their bikes. Thank you!

Spartans big and small we're enjoying the new music wall in our outdoor classroom!! A huge thank you to all the students and staff of the school who have helped lay gravel, plant, and lay out soil!! Special shout-out to the Grade 9 crew for sanding all the tree stumps, laying landscape border, levelling the soil, and laying recycled tires. They had such amazing work ethic! Come check out our music wall and some amazing art pieces for decor!!! Our students were out today playing, learning and rejuvenating in our [#outdoorclassroom!](#)

Eaton students, their parents, siblings, grandparents, family and friends  
rose the to challenge in the

# **Eaton SCC Family Fun Goose Chase**

The First Place prize (\$75 certificate from 21-44) goes to.....

**Dearborn Family Values**

The for the draw from all teams participating (\$50 Certificate from 21-44) goes...  
to the **Peters Family**

The Eaton SCC were wowed by the determination and creativity of our family teams!!  
Loved watching all the submissions; they were so awesome!

18 families participated in completing the challenges to earn points. As seen in earlier posts, the Spartans not only spent family time together, but had lots of fun too!!

Congratulations to 5 families for fulfilling all the challenges, earning them a 5 way tie for First Place (37 500 points plus bonus points) - a \$75 gift certificate to the 21-44: Wafflesauce (aka the Becker-Presler Family), the Perry Clan, the Stusrud Family, Dearborn Family Values, and the Dudley Family.

Due to the high number of 1st place finishes, the 5 names were put in a draw.

A second draw with all entry names was made for the \$50 gift certificate.

# The Wheel of Well-Being

YOU are at the centre of the Wheel of Well-Being. Below, you'll find a breakdown of the seven different segments of the wheel and how they connect to who you are and how you feel. We've also included some questions you can ask yourself about each wedge to help you find and maintain balance.

It's important to note everyone has a different definition of well-being. Some segments of the wheel may be more relevant to you than others, or you may feel other factors contribute to your well-being.

## relationships

---

The relationships segment of the wheel includes things such as:

- your connections to friends, family, community and others
- your connection in an intimate relationship
- how you explore and/or express your sexuality
- feeling supported by others and offering support back
- being able to communicate what you feel and need to those around you

Questions you can ask yourself about your relationships include:

- How do I share how I'm feeling with those around me?
- What do I need from those around me?
- Who are the people in my life that I can turn to?

## emotions

---

The emotions segment of the wheel includes things such as:

- your awareness of what you're feeling and why
- your ability to accept and value who you are
- your outlook on life
- your ability to manage stress and strong emotions
- your sense of hope for the future

Questions you can ask yourself about your emotions include:

- What works for me when I'm feeling strong emotions?
- What resources, strengths and abilities do I already have that I can use to deal with strong emotions?

## physical health

---

The physical health segment of the wheel includes things such as:

- your overall physical health
- your nutrition
- your sexual health
- how you practice and enjoy physical activity
- your body image
- your sleep routine

Questions you can ask yourself about your physical health include:

- How comfortable do I feel in my own skin?
- What could I start to do or continue to do that is good for my overall physical health?

## creativity & thinking

---

The creativity and thinking segment of the wheel includes things such as:

- how you express yourself in different ways
- how you exercise your mind
- how you learn from others and the world around you
- your appreciation for learning new things

Questions you can ask yourself about your creativity and thinking include:

- How do I express myself and exercise my mind?
- How can I continue to learn from the world around me and express myself creatively?

## spirituality

---

The spirituality segment of the wheel includes things such as:

- your sense of belonging in the world
- the meaning and purpose you feel in your life
- the comfort you get from community, nature, the universe and/or some higher power

Questions you can ask yourself about your spirituality include:

- In what ways do I, or could I, connect to something larger than myself?
- How do I create meaning for myself in life?

## school & work

---

The school and work segment of the wheel includes things such as:

- how interested you are and how satisfied you feel with school and/or a job
- your education and/or career goals
- your attitude toward school and/or work
- your sense of being able to contribute to your family or community through school and/or a job

Questions you can ask yourself about school and work include:

- How do I see myself going forward in school and/or my job?
- How can I create opportunities to find satisfaction through school and/or work?

## environment

---

The environment segment of the wheel includes things such as:

- your home environment and living conditions
- how you experience the changing climate
- how you connect with the lands, waters and wildlife
- how you feel about your community

Questions you can ask yourself about your environment include:

- How do I feel about the environment around me?
- How can I create, contribute to or improve my environment?
