CASUAL CUSTODIANS WANTED

Eaton School is looking for individuals who are interested in acting as substitute/casual custodians.

If this might be you, please go online to the Sun West School Division job application sight at the following link: <https://www.applitrack.com/sunwestsd/onlineapp/>. Under "External Applicants", you can "Start an application for employment" by clicking on that link. In your application, indicate that you are interested in acting as a substitute custodian at Eaton School. The Division will notify the School of approved substitutes.

If you have any questions, please contact Eaton School at (306) 967-2536.

Eaton School has traditionally held Remembrance Day ceremonies prior to November 11 in order to honour and thank the brave women and men who made so many sacrifices to keep Canada free, both in the past and currently.

Although this year's school service is not possible, Eaton students will be participating in a Sun West live-streamed division-wide Remembrance Day Ceremony at 11:00 am, Tuesday, November 10th.

ONE THOUSAND MEN ARE WALKING

One thousand men are walking
Walking side by side
Singing songs from home
The spirit as their guide
They walk toward the light milord
They walk towards the sun
They smoke and laugh and smile together
No foes to outrun
These men live on forever
In the hearts of those they saved
A nation truly grateful
For the path of peace they paved
They march as friends and comrades
But they do not march for war
Step closer to salvation
A tranquil steady corps
The meadows lit with golden beams
A beacon for the brave
The emerald grass untrampled
A reward for what they gave
The dream of those they left behind
And know they dream of them
Forever in those poppy fields
There walks one thousand men

Report Cards – November 10

Report Cards for Grades 1-12 will be accessible through the Parent Portal of MySchoolSask on Tuesday November 10th.

If you have not yet accessed the Parent Portal, please contact Mrs. Hoffman in the office @ 967-2536.

Tri-Conferences – November 18 & 19

Student-Parent-Teacher Conferences will be held from 4:00p.m.-8:00pm on Wednesday, November 18 and Thursday, November 19th. Because of the pandemic, our format for conferences will be different this year. **Conferences will be held via TEAMS (online) or by phone.**

This is a time for sharing student progress and celebrating successes. We look forward to communicating with you about your child's academic progress, executive skills, engagement, supports, social-emotional learning, and their mental/physical health.

Protocol Reminders to students and parents:

- Be kind and considerate of others
- Students are to use the assigned entrances/exits
- Masks must be worn appropriately, covering mouth and nose

Bus Parents please ensure to inform your bus driver in advance if your child(ren) will NOT be on the bus after school.

Reminders:

Dress Warmly!!

We have been very fortunate so far that Mother Nature has been fairly kind, but living in Saskatchewan, we know that colder temperatures are coming. Please ensure your child is prepared to ride the bus and/or play outside on the Playground during the school day. Our school policy is that all K-6 students are to go out for fresh air and exercise before school, at both morning and afternoon recess, and during the noon hour. It wouldn't hurt to send an extra pair of mitts to school with your child. Thank you for making sure that your child is dressed warmly!

WE HAVE A PLAN!!!

Eaton School is currently at a Level 2 Plan which means that students and staff are in the building and we are following our Re-Entry Plan. After being back for about 6 weeks, we did review our Re-Entry Plan, identifying which protocols were successful, which needed reinforcing, and which needed tweaking. Overall, things are going really well as students, families and staff are adapting during this unusual school year.

At the start of October, we proactively developed a Plan for Level 4 Class or School Closure in the event that a face-to-face class or school closure takes place due to COVID-19. **We are NOT at a Level 4 at this time.**

The Saskatchewan Health Authority will determine any closures that will take place and the parameters for the closures. We want to ensure you that we are committed to the health and safety of each student as well as success for all students in their learning journey.

The Level 4 Plan is designed to support a short-term move to at-home learning but would support a longer term should the need arise. We realize that learning from home can be a challenging experience for families and as such, our goal is to support the learning needs of each of our unique students, as well as to provide support to at-home learning mentors in order to ensure a successful experience for each child. Aspects of Eaton's Level 4 Plan are as follows:

- A 2-day transition period will be provided for teachers/schools to communicate with families and to prepare learning content for learning at-home.
- During the 2-day transition period, parents/guardians & students will be provided with self-directed appropriate learning activities.
- Once the 2-day transition is complete, learning will continue with teacher guidance.
- Student learning will not be optional. All learning outcomes will continue to be taught and assessed; therefore attendance is mandatory and students must stay on track with their learning.
- Students will have teacher contact each day and follow at-home learning schedules.
- Devices will be provided to students. Parents/guardians/students will be provided the appropriate supports to ensure a level of comfort with technology and software.
- Eaton's personalized learning approach will also be honoured during any Level 4: Class or School Closures.

More information and communication will be sent to families if we experience a class/school closure at Eaton School.

Education Week in Saskatchewan

November 22-28

November 22-28, 2020 is Education Week in Saskatchewan. For more than 30 years, Saskatchewan has dedicated one full week every year to celebrate student success and recognize the dedication and commitment of education professionals across the province.

Education Week highlights the important collaborative relationships that strengthen our education system. As students, educators, support staff, parents, caregivers, Elders, community members and stakeholders, we build meaningful relationships that lead us to growth and understanding.

Kindergarten

The Kindergarten class has been busy this past month learning about fire safety, Thanksgiving and Halloween. We created fireman hats, painted turkeys, and created bats out of toilet paper rolls. Mrs. Palaschak looks forward to another wonderful month with Eaton's Kindergarten class.

Mrs. Palaschak

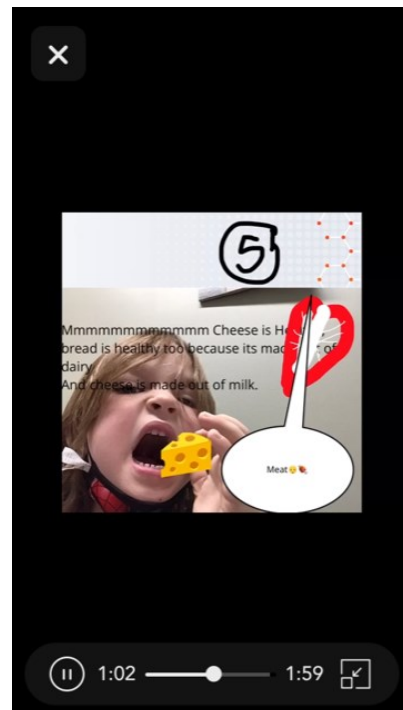

Grade 1/2

What has been going on in Grade 1 & 2?

Skype in the classroom is truly an amazing educational tool. We had a great time learning all about real turtles from Ranger Randi!

Students shared what they know on Book Creator on Healthy snacks. We had a bunch of fun and learning on this project.

Mrs. Follensbee

Grade 3/4

Grade 3/4 had so much fun wrapping up our Saskatchewan Climate Reports. We researched, wrote scripts, and created a newscast to explain Saskatchewan's extreme weather and how to be safe when it hits.

Miss. Chabot

Bredy's Bunch 5/6

Today we had a [#Halloween](#) [#Mystery](#) with our grade 5/6 students!! So much fun with this genre in which we learned about forensic techniques like finger printing, handwriting samples and footprints! We found that Clay, Kennedy and Jaxen were our suspects, but in the end it was Clayton who was the perpetrator!

Also I'd like to proudly say that every Grade 5/6 student has completed 5 math outcomes each! Bravo! We have been measuring, making Skittles Soda for capacity, scavenger hunts and even making a geometry city!

Visit our BOOK FAIR!

Dear Students & Parents

The book fair will be Nov. 16th-20th. The book fair will look different this year. I will be having an in-school book fair where students and teachers only will be allowed in the library to look at and or purchase the books. There will also be a virtual online book fair for parents to look at and order books. There will be a video of the book fair posted on Eaton School's Social Media sites closer to the day which will showcase the books in the library.

What the in-school book fair will look like:

Students will come to the library and fill out their wish lists. Students will bring home their wish lists to the parents. Students can purchase the books they want, or parents can call Tracy at (306) 967-2536 or email me at tracy.radies@sunwestsd.ca. I can get the books ready for you and we can arrange a pick up time or send books home with your child. Preferred payment is cheque payable to Eaton School or etransfer. Etransfers can be sent to eaton@sunwestsd.ca with the security question answer being books. You can also order them online at the virtual book fair and use your credit card to purchase the books.

Virtual book fair:

Parents can order their child's books online if they wish. A link will be provided closer to the day. The books will be delivered to you directly. You will also get free shipping on all orders over \$35. Otherwise shipping will cost \$6.

If you have any questions, please contact me.

Thank you for your continued support. The book fair benefits the school library by receiving a percentage of the books purchased. The students love it when we can get new books for the library.

Thanks,

The GSA held an executive meeting on October 30th. We have found a safe way to hold our meetings while keeping everyone safe in their cohorts. We are so thankful for technology! We did some brainstorming for ideas and are ready to go. It's going to be a fantastic year and we can't wait to get started!

Junior Girls Volleyball

The junior girls volleyball team is off to a great start this year. This year we have a really big team with Brooklyn and Jade in grade 9, Marike, Addisyn, Ariel, Peyton, Dekiera, Addison, Macy, Kaylin, and Brooklyn in grade 8 and Taylor, Madison, Trista, and Rihanna in grade 7. This large number of girls have proven themselves eager to build their volleyball skills and work hard. Although we are not able to travel to away games this year, due to the pandemic, we have had a great opportunity to build our strength in volleyball and to make sure we keep our competitive edge for when league and tournament play is able to return. Also, due to the large number of players we have this year, we are able to still play games by splitting the team and playing against ourselves. Our home opener on October 28th was a lot of fun!

Coaching the team this year are Mr. Hoult, Mrs. Facca, and Miss Bechtold. It is great that there are a lot of us to be able to work with the large number of players. Fortunately the girls have proven to be easy to coach and eager to learn.

There will likely be a few more home games this year between Spartan teams. Although we are not able to have spectators at this time, our games will be livestreamed so that parents can watch. If you have a relative on the team and would like to see the game, just ask one of the parents for the link.

SPARTAN SPOOKTACULAR PUMPKIN CARVING EVENT!

And the winner is.....Sam & Jade Swan!

Congratulations!

They are the lucky winners of the Eaton SCC draw for a

Child and Youth Counsellor Reminder

Sandi Toner is back in our building Wednesdays and alternating Fridays she can be reached at Sandi.toner@sunwestsd.ca or by calling the school at (306) 967-2536 on those days to discuss counselling options for your children.

THE EMOTIONAL CUP

Imagine that every child has a cup that needs to be filled -- with affection, love, security, and attention. Some seem to have a full cup most of the time, or know good ways to get a refill. But most children get a little nervous when their cup gets near empty.

Some ways that children deal with having an empty cup:

- steal from other people's cups
- misbehave to get your attention and show that they need a refill
- seem to have bottomless cups, or need constant 'topping off'
- can't sit still for refills or actively refuse them
- bounce off the walls when they approach 'empty'
- think they have to fight or compete for every refill

What fills a child's cup:

- play
- friendship
- one-on-one time
- love and affection
- connection
- succeeding
- doing what they love to do or what they choose to do

What empties the cup:

- stress and strain
- rejection by peers
- loneliness and isolation
- yelling and punishment
- failing
- fatigue
- doing what they're forced to do or they hate to do

Grad Bottle Drive

Cans & Bottles

Unfortunately, COVID-19 derailed the 2020 grad bottle drive usually held in April 😞 However, if you are still willing to donate bottles and cans to Eaton School's annual bottle drive, we have some options for you:

Cans & Bottles

- **Option 1** – Wait for the 2021 bottle drive. If COVID restrictions are lifted and we are able to hold a bottle drive this spring, it will be held in April.

Cans & Bottles

Cans & Bottles

- **Option 2** – Donate to our virtual grad bottle drive. Eaton School has registered with SARCAN's drop and go program. To use it take your bottles to SARCAN and ask to use their drop and go system. You type our group's code (Eaton School) into the computer and it will print out labels for your bags of bottles. SARCAN will then count the bottles and donate the money to Eaton School.

Cans & Bottles

Cans & Bottles

Thank you for your continued support of Eaton School and our graduation exercises.

Please note: The bottle drive mentioned in option 1 will only occur if COVID safety restrictions allow for it. Student safety will be our top concern.

Cans & Bottles

Please note: If you chose option 2, please make sure to remove the lids from the bottles and sort them as if you were normally taking recyclables to SARCAN as since we will not be handling them, we will not be able to do that as we usually do.

BOARD OF EDUCATION HIGHLIGHTS

The Sun West School Division Board of Education held its regular meeting on Tuesday, October 27, 2020 in Rosetown and the Sun West Learning Centre. At the meeting:

- The Board reviewed procedures for the November 17 Organizational Meeting when the Board Chair and Vice-Chair will be elected and the membership of standing committees will be determined.
- The Board was provided with preliminary versions of the 2019-20 Sun West Annual Report and Audited Financial Statements in order to provide input prior to these documents being finalized.
- Electoral Officer Rhonda Saathoff provided an update on Board elections. Eight of the nine Board positions were acclaimed and an election is being held in Subdivision No. 2 where four people are contesting the position. Full details can be found at www.sunwestsd.ca under the Governance.
- The Board discussed its participation in the November 25-27 Saskatchewan School Boards Association (SSBA) Fall Assembly and Annual General Meeting.
- This was the last meeting for Margaret Irwin (Subdivision No. 1) and Barb Cowell (Subdivision No. 8). Both are retiring. They served on the first Sun West Board and previously served on legacy division boards. In total, Margaret served 20 years and Barb served 23 years. Board members praised their retiring colleagues for their dedication to students and their positive attitudes and many contributions to Sun West. Board Chair Karen Itterman stated: "You (Margaret and Barb) have made a difference in the lives of so many students. Everything that you have done has been huge."

The Next meeting of the Board of Education is the Organizational Meeting scheduled for November 17. The next regular meeting of the Board is scheduled for November 24. |
