SAY CHEESE!

Protocol Reminders to students and parents:

- Be kind and considerate of others
- Students are to use the assigned entrances/exits
- Masks must be worn appropriately, covering mouth and nose
- Masks must be worn by Gr 5-12 students in the hallways and common areas such as the lobby regardless of whether they are able to socially distance or not (This is a change as it is too difficult to monitor.)

School Community Council Annual General Meeting on Thursday, October 29th @ 7:00pm.

This will be a virtual meeting. Eaton parents and Eatonia community members are welcome to attend by clicking on this link: [Join Microsoft Teams Meeting](#)

Correction:

Please note that there is a correction to the magnetic calendars,
that each family received.

Oct. 23 is a Day 4 and students **attend** school

Oct. 26 is the PD Day and students **do not** attend school

Reminders:

Bus Parents please ensure to inform your bus driver in advance if your child(ren) will NOT be on the bus after school.

Library Books from last school year.

Could everyone please look at home and see if they have any books that have not been returned to the library. There are still some out from when the school was shut down because of COVID.

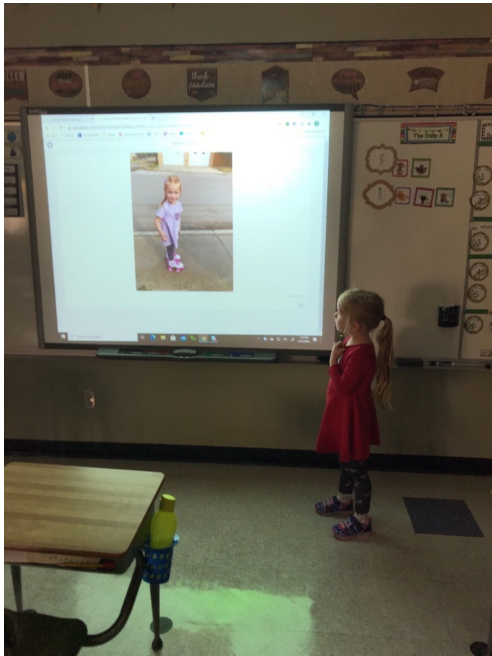

Thanks for looking,

Miss. Radies

Grade 1/2

What have we been doing?! We are doing virtual sharing. We still get to see everyone's special items they want to share with a bit of a twist! When it is nice outside we hang out in the Spartan Outdoor space. We often read with partners or by ourselves. Our class is becoming familiar with technology, especially the class Seesaw App.

We are learning all the time and are grateful to in our classroom even if we have a few changes. We are off to a fantastic start!

Grade 3/4

Grade 3/4 have had a wonderful start to the school year. We had a visit from the MADD truck where we learned about how to never get in a vehicle with someone who has taken drugs and alcohol. We have also been learning about light in science. In one of our experiments we measured the length of shadows throughout the day.

Bredy's Bunch 5/6

Our itinerant teacher Ms. Bechtold is working with the math [robots](#) practicing our [decimal](#) & [placevalue math](#) skills!! These guys even created the charts & challenges! We also played multiplication balloon volleyball and race to 10 000 estimation edition.

PAA Class

Super proud of our Spartans for their [creativity](#) & ingenuity with [sewing](#) masks! We rise by lifting others & we look forward to sharing their talent with those who may need an extra mask in [school](#).

Thank you to our amazing community for the donation of fabric! Melanie Lisa Hugz n' Cuddlez, Sharon Price, Janine Specht, Sandy Guidinger, and a few mystery donations. We are so gracious for your support and belief in our students.

Grad Bottle Drive

Unfortunately, COVID-19 derailed the 2020 grad bottle drive usually held in April 😞 However, if you are still willing to donate bottles and cans to Eaton School's annual bottle drive we have some options for you:

- **Option 1** – Wait for the 2021 bottle drive. If COVID restrictions are lifted and we are able to hold a bottle drive this spring, it will be held in April.

Cans & Bottles

- **Option 2** – Donate to our virtual grad bottle drive. Eaton School has registered with SARCAN's drop and go program. To use it take your bottles to SARCAN and ask to use their drop and go system. You type our group's code (Eaton School) into the computer and it will print out labels for your bags of bottles. SARCAN will then count the bottles and donate the money to Eaton School.

Thank you for your continued support of Eaton School and our graduation exercises.

Please note: The bottle drive mentioned in option 1 will only occur if COVID safety restrictions allow for it. Student safety will be our top concern.

Cans & Bottles

Please note: If you chose option 2, please make sure to remove the lids from the bottles and sort them as if you were normally taking recyclables to SARCAN. Since we will not be handling them, we will not be able to do that as we usually do.
