Eaton School offers a number of extracurricular activities to our students throughout the school year. Eaton Staff have typically acted as coaches and/or managers and over the years, we have also had community coaches. The role of coach is key in the development of individual skills and team play, as well as developing a “love of the game” in young athletes.

In anticipation of next year’s extra-curricular activities, we are putting out Application Forms to determine which members of the Eatonia community and area are interested in becoming Community Coaches and/or Referees for the 2022-2023 school year.

If you are an adult who would like to share your love of sport, your knowledge of skills and the game, and you are willing to dedicate the time and commitment involved in school athletics, please complete the attached form.

CALLING ALL EATON BAND ALUMNI!!

Ms. Whitell, our current Band Director, will be entering a Marching Band in the Eatonia Centennial Parade held on Saturday, July 2nd.

While our band will have current band students playing, we would LOVE to have Alumni join us in playing a classic song (maybe "Louie, Louie"?) as we follow the parade route from Eaton School to 6th Ave then down Main Street and back to the school.

If you are interested in dusting off your instrument, or perhaps borrowing one from the school, to join the Marching Band, please contact Diedra Whitell by June 3rd!

Thank you to Brooklyn Hagen for all of her help in the library. Brooklyn came to the library for her work experience. Brooklyn checked in and out books, added books to the system, read and did crafts with the students. Brooklyn made a bulletin board called Summer Bucket list. She got the students to colour a sand pail and she put on them what the students would like to do this summer. Thank you Brooklyn for all of your help. The students and I enjoyed having you. We will miss you Brooklyn!

Jeffery Straker Workshop

Jeffery Straker is a talented singer, songwriter and pianist who grew up in rural Saskatchewan. He has worked with both students and adults in songwriting workshops and has received great feedback from participants.

On June 6th, Jeffery will be working with the grade 3/4 class to write an original song for the Eaton Centennial Celebrations. In his full day session, this group of students will be highly engaged in brainstorming ideas, developing verses and putting it together with music.

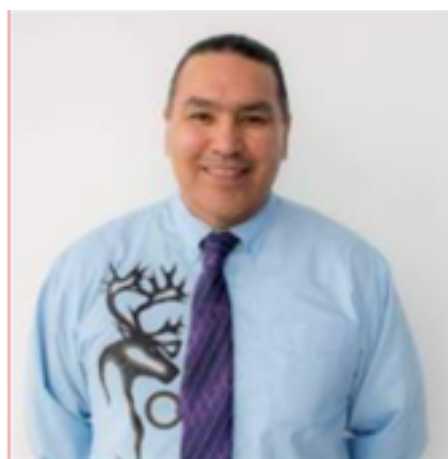

"Jeffery Straker is an engaging, charismatic, enthusiastic, and compassionate instructor who had my students completely enthralled with the songwriting process. He was totally prepared and professional, giving the students the tools to work on their own songwriting while allowing them to explore some emotional territory that opened up new possibilities for them both as songwriters and as maturing individuals. The workshops yielded amazing results, and I believe he has introduced the students to a craft that will have lifelong potential as a creative outlet for them." (Karen Blackwell-Jones – Saskatchewan)

"15 Reasons NOT To Be In a Play"

The reviews are in and even Rogers and Ebert would agree that the cast and crew of "15 Reasons Not To Be In a Play" was a hit!

This play was about not being in a play, ironically expressed through a hilarious series of monologues, duets and ensemble scenes. From early traumas involving a glory-seeking elementary school teacher to possible disturbances in the global climate, this play kept the audience guessing as to what the next scenario might be!

Grade 7-11 students did themselves, the drama program and Eaton School proud. Fellow students, staff, parents, family, friends and community were all impressed by the abilities of these young actors and crew.

Kudos to the Directors Mrs. Cindy Facca and Mrs. Julie Nunweiler! Thank you to them for all the time they invested and for passing along their passion for drama to the students of the Eaton School Drama Club!

BRAVO!!

GSA Dance

Thank you to everyone
who came out to the
GSA Dance! Thanks to
everyone who helped
in any way.

The Eaton Bands outdid themselves at the annual Strawberry Social! The evening performances were dedicated to Mr. Steve Mealey, who had such a lasting impact at Eaton and throughout the community. The strength of our music program is his legacy, and he would have been very proud of the Spartan Musicians.

A Spartan Shoutout to the Band Parents Association for providing the delicious cake, strawberries and ice cream, always a highlight as we listen to the students perform at the Strawberry Social. Thanks to them, as well, for their continued support of the band program throughout the year.

HIP HOP HOOP DANCING

Students most likely went home and excitedly shared how awesome the Hip Hop Hoop Dancers were!

Terrance Littlelent collaborated with interdisciplinary artist Chancz Perry to produce a cross-cultural fusion of First Nations hoop dance and North American hip hop. Students learned about the significance of the 5 hoops (listening, watching, learning, respect and love), the stages of hoop dancing, as well as the similarities between the Cree and African ancestry. These engaging performers shared a historical, cultural, educational and inspirational view of the two dance genres. Students thoroughly enjoyed the Hip Hop Hoop Dancing and presentation!

A special Thank You to the Leader Arts Council, the Kindersley Arts Council and OSAC for making it possible for Terrance and Chancz to share their messages with our students.

May 20, 2022

To Grade 4-7 Children and Parents,

West Central Junior Football team would like to invite you to come out and join our football team in the Fall of 2022. This team has been running since 2015, with the goal of creating a fun and safe environment for kids to learn more about the sport of football. This team is a "community" team which includes Eatonia, Leader and Marengo and has no affiliation with any schools.

Kids going into Grades 6 to 8 in the Fall of 2022 are eligible to play on the team. Kids going into grade 5 in the fall of 2022 can practice with the team but are not able to play in games. This is a great way to learn about football and see if they enjoy it.

The football season typically begins around mid August and runs to mid October. If your child is interested, we will be having a general meeting on June 22, 2022 at 7pm in the Eatonia Memorial Arena. If you are unsure and have questions please come to the meeting. We will have registration forms at the meeting. If you register your player on June 22, we can also fit your player for equipment. This is to get an idea if we need to order any more equipment for the upcoming season.

If anyone is interested in coaching or helping with football, please let me know as we are in need of coaching staff.

Hope to see you on June 22.

Sincerely,

Amanda Longmuir

HOW TO PRAISE EFFECTIVELY

"Great job" & "You're so clever" might sound good to YOU. But in reality, this often automatic praise can lower your child's self-esteem and motivation.

There is power in your words. Research shows that the wrong kind of praise can often do more harm than good.

WRONG

WHEN YOU PRAISE FOR ABILITY

"You're so smart!"

"You're a natural born artist!"

YOUR CHILD MAY

Choose tasks they know they can do
Start avoiding mistakes at all costs

WHEN YOUR PRAISE IS TOO GENERAL

"Great job!"

"It looks nice!"

YOUR CHILD MAY

Tune this praise out
Lose an opportunity to learn from the experience

WHEN YOUR PRAISE CENTERS AROUND

YOUR GOALS

"Great job folding your shirts! Your drawer looks so nice a neat!"

YOUR CHILD MAY

Fail to see why they made an impact
Not feel motivated to repeat the positive behavior

INSTEAD

WHEN YOU PRAISE FOR ACTIONS

"You worked so hard on this project!"

"You stuck with that for a long time."

YOUR CHILD MAY

Become more accepting of mistakes
Choose tasks that offer challenges
Become more resilient

WHEN YOUR PRAISE IS SPECIFIC

"You did a great job adding lots of details to this poster."

YOUR CHILD MAY

Know what caught your attention
Learn lessons to apply next time

WHEN YOUR PRAISE CENTERS AROUND

YOUR CHILD'S GOALS

"Great job folding your shirts! You're going to be able to find your favorites so quickly in the morning!"

YOUR CHILD MAY

See the benefit and impact
Feel motivated to repeat the positive behavior

Sometimes praise is not even necessary. Instead, ask your child reflective questions to help them develop self-awareness and inner motivation.

Positivity & Connection Kit

Ages 5-11

Our Positivity and Connection Kit is a collection of printable worksheets, games, activities, and coloring sheets for kids to promote a positive attitude and strengthen their connection with others.

"I use these worksheets with my kids, as well as in my practice as a clinical therapist. I find so many kids with a fixed mindset, and appreciate helping them shift to this more positive way of thinking."
