Busy month celebrating Valentine's Day, Spartan challenge and stuffy day!

Grade 1/2

Grade 1&2 celebrated the 100th day of school on February 15th. The class did 100 exercises, built structures out of cups and a bunch of other activities! Students also used the platform book creator to tell about what they do when they get angry.

Grade 3/4

Grade 3/4 have kept busy this short month. We were very excited to see the snow drifts had returned after the last snowstorm. We've also been learning about what keeps us healthy by examining the Canada Food Guide and teaching our very own yoga lessons. Valentine's day was also quite exciting with lots of crafts and activities!

Grade 5/6

As requested, Mrs. Bredy's Sweet Shoppe arrived on Valentine's Day. Grade 5/6 used their math skills with decimals, probability, multiplication, addition and subtraction to buy their Valentine's! A great day for some practical math skills.

Pink Shirt Day

MARCH 1st

WEAR PINK TO SHOW
SUPPORT AGAINST BULLYING

Eaton School has designated **March 1st** as **Pink Shirt Day at Eaton.**

We recognize that the National Pink Shirt Day was February 22 & 23rd but that due to the February Break, we were not in class.

Therefore, we will take tomorrow to celebrate kindness, inclusion and positive relationships and to show the importance of reducing bullying and conflict..

The Pink Shirt Day Story

In 2007, Berwick Nova Scotia classmates David Shepherd and Travis Price bought and distributed 50 pink shirts after a student at their school was bullied for wearing a pink shirt. With that act of kindness, Pink Shirt Day was born.

In recognition of the Berwick event, Nova Scotia proclaimed the second Thursday of September "Stand Up Against Bullying Day." In 2008, British Columbia proclaimed February 27 to be the provincial anti-bullying day, and the movement has continued to grow. In 2012, the United Nations declared May 4 as Anti-Bullying Day, and the last Wednesday each February is now the national anti-bullying day across Canada.

GSA News

GSA recently attended a “Love is Love” presentation on February 14th. As a group, we plan to attend many more virtual presentations like those, and we encourage our students from grades 7-12 to attend to learn more about the LGBTQ2SA+ community and their allies. During these next few months, we plan to wrap up some ongoing projects around our school such as our colourful wings mural in the high-school end and a GSA feature in the library. In the near future, we are hoping to plan a school dance for the high-school students, as well as plan a trip to PRIDE in Saskatoon!

Junior Boys Basketball

The junior boys basketball team had a great year. After a year with no basketball, the boys were eager to get back at it. We did a lot of building of skills and strategy this year, and managed to have a lot of fun along the way.

This year we played games against Elizabeth, KCS, and Eston. While we faced some tough teams, the boys from Eatonia played with a lot of grit and determination and it was a lot of fun to watch them this year. Our last game this year was our conference playoffs in Kindersley. While we fell to Elizabeth, we nevertheless played well and had a great game.

This year we will be bidding goodbye to our solo grade 9 player – Adam Becker. We wish him all the best in senior basketball next year. I hope to see the remaining 8 players next year, however, for another great year of basketball.

Senior Boys Basketball

The senior boys basketball team had a lot of fun this year. Although our small numbers meant we weren't able to compete at a lot of games or tournaments this year, it was good to see the boys still come out to practice their skills, get some exercise, and have fun.

Thank you to the boys who came out to play this year – Artur Zbercha, Kearin Wagner, Brayden Aldridge, Jack Hoartell, Cameron McLay, Joel Stevens, and Adam Becker. It was great working with you.

TEACHING YOUR CHILD TO BE THANKFUL

FORCING YOUR CHILD TO SAY "THANK YOU" DOES NOT TEACH THEM TO BE THANKFUL. RAISE A GENUINELY GRATEFUL CHILD WHO DOESN'T JUST SAY THE WORDS.

STOP ASKING: "~~WHAT DO YOU SAY?~~"

AND INSTEAD, ASK THE MAGIC QUESTION: "HOW DOES IT MAKE YOU FEEL?"

- ♥ "Your friend missed his soccer practice to bring your homework to you. How does it make you feel?"
- ♥ "Your teacher spent her own money to get supplies for the class. How does it make you feel?"
- ♥ "Your grandmother planned this outing so you could make a special memory together. How does it make you feel?"

NEXT, CONNECT THE DOTS BETWEEN THE FEELINGS AND EXPRESSING THANKS:

- ♥ "Was it fun to play with your friend? Did you tell them that? Next time, let's tell them."
- ♥ "Did it make you feel happy when you got grandma's present? Does she know that? Let's tell her!"

WHEN YOU HELP YOUR CHILD RECOGNIZE HOW GRATITUDE REALLY FEELS INSIDE... THEY'LL SAY "THANK YOU" WITHOUT BEING FORCED BECAUSE THEY'LL FEEL THANKFUL.

The **Sun West Student emPOWERment Survey** was created by our Youth Consultation Student Leadership Team, of which Eaton student Shawi Ronquillo is a member. The survey is intended for all Grades 7-12 Students to share their voice to empower change. Youth Consultation Members will be analyzing the results of the survey to create suggestions for our Board of Education for their presentation in May. They want to be able to share the voice of their peers from around the division while making suggestions to create change.
