It's P.A.R.T.Y. Time!!!!

On May 24th, 2023, the Grade 10 students from Kindersley, Eatonia, Eston, Marengo, and Leader schools will participate in the P.A.R.T.Y. program in Kindersley. We are very grateful for all the community involvement to make this day possible.

P.A.R.T.Y. stands for Preventing Alcohol and Risk-Related Trauma in Youth. Throughout the day, the Grade 10 students will experience what it is like to be in the place of an injury survivor. The day starts with an opening presentation where students gain a better understanding of what it means to take a risk, how to make an informed decision about risk-taking behavior and strategies to help prevent injury. They will then attend a mock crash followed by small group presentations by the RCMP, Addictions, Physiotherapy, EMS and the Funeral Home. The day will conclude with an injury ambassador speaking about their injury and what life has been like since their incident and leaving the students with a message of hope and resilience. During the lunch, students will be given a scenario and will try to eat with a simulated injury.

It is a very impactful day, leaving the students thinking about their choices and the risks they are willing to take!

If you are interested in volunteering during that day, please contact the school. Thanks to everyone who has already volunteered!

# Eaton Band Trip

The community of Eatonia places high value on music education, and the band program has been active for over 50 years. The band program was directed and maintained by the late Mr. Steve Mealey for 30+ years, and the current program is run by Ms. Diedra Whitell. Eaton Senior Band is comprised of grade 9-12 students, and they meet every second school day throughout the year. Eaton Junior Band is comprised of grade 7 and 8 students, and they were joined by two of our Senior Band percussionists.

The Eaton Band students embarked on their four-day band trip journey on April 17<sup>th</sup>. Students have had the opportunities to perform in Winspear Centre, have masterclasses and adjudication clinics with experts, and they even were able to view three professional performances! The Eaton Band group also enjoyed some fun and new experiences such as Laser tag, a Brazilian Steakhouse dinner, and West Edmonton Mall venues such as Galaxyland and the World Waterpark! Students represented the school and the town of Eatonia very well, as many patrons have commented on their well-mannered behaviour and excellent musicianship! Trips and opportunities like these are only possible because of our incredible Band Parents Association and the support of the school and community!

## Bottle Drive

**The Eaton School Grade 11/12s will be holding their graduation bottle drive in the spring.** Did you know, however, that you can actually drop off your bottles at SARCAN any time and Eaton School will get the credit for it.

Therefore, if you don't want to wait or if you have relatives elsewhere in Saskatchewan that might want to donate their bottles to Eaton School, you can drop off the bottles at any SARCAN offering the drop and go service. The code for Eaton School is: **eaton|school** (it's not case sensitive, but you need the space).

If you would rather wait until the bottle drive in the spring, that's OK too. We will be happy to come and get your bottles like always. But if you're looking to clear them out early, please keep the drop and go in mind.

# Badminton

Junior and senior badminton wrapped up this week with both teams competing in sectional playoffs.

The junior badminton team had a very successful season, and everyone improved throughout the season!

A huge congrats to Grady and Gared who qualified for Districts!! They are certainly the dynamic boys' doubles duo!!

Also, congrats to Ryder B!! He won sectionals and made it to districts for Badminton.

Jaxen, Clayton, Ryder E, Faith, Kennedy, Shayla, Jhacob, Hunter, Dustin, Halley, Madi, and Trista all played with a lot of heart and skill. Many smiles and memories were made in Junior Badminton all season long.

Senior Badminton was a small team this year, but they played with a lot of heart and skill representing our school very well. Great job Joel, Cameron, Ronnie who all competed in Boys Singles and Brooklyn who competed in Girls singles.

A huge congratulations to our two girl doubles teams of Shawi and Kenzie, and Mikayla and Rihanna who both advanced to district Playoffs in Rosetown on April 29th

A huge thank you to the parent drivers, without you we'd be nowhere...literally. Thank you.

Spartans represented our school well with honesty, respect, and sportsmanship. #Spartans
