Kindergarten

The first month of school has been fantastic in the Kindergarten classroom! We are learning what school is all about and getting in a good routine so far! We have even participated in our first whole school activity...The Terry Fox Run!

Gr. 1/2

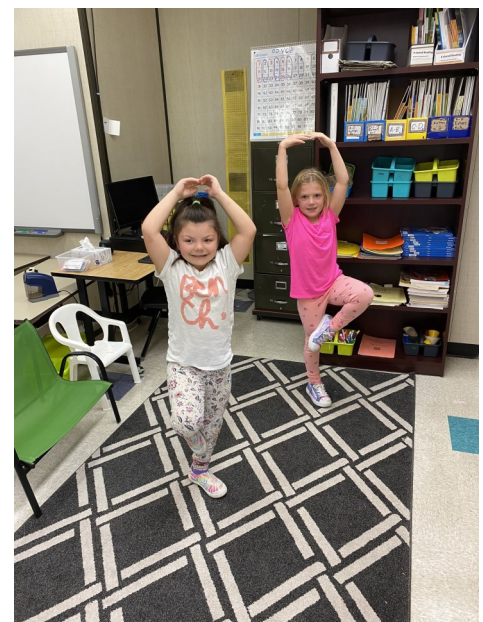

Students are so excited to share their Fall collages.
They are intrigued with NATURE!

Steam time- who can build the tallest tower?
There have been some magical AHA moments.
So amazing to see!

Students need a comfy calming
corner to decompress & chill.
Body breaks are built into our day!

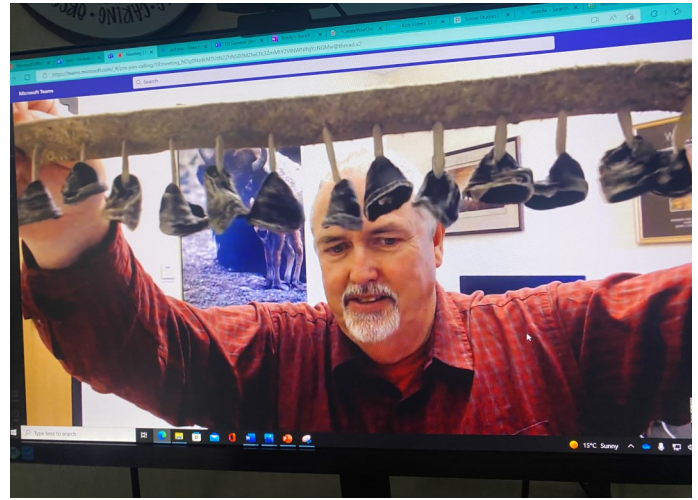

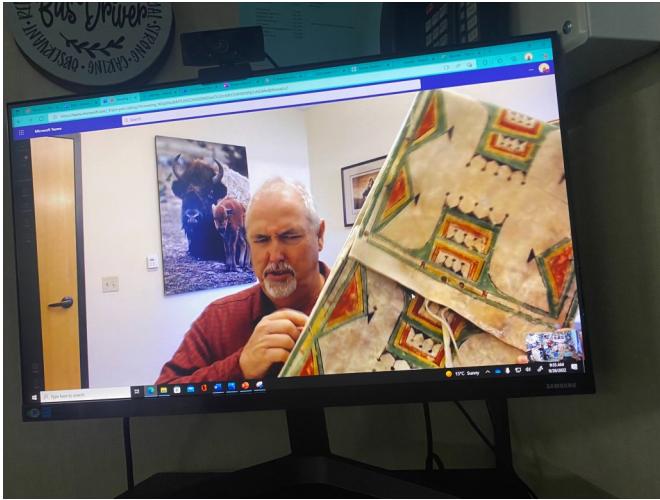

Gr. 3/4

Grade 3/4 's have had a busy September.

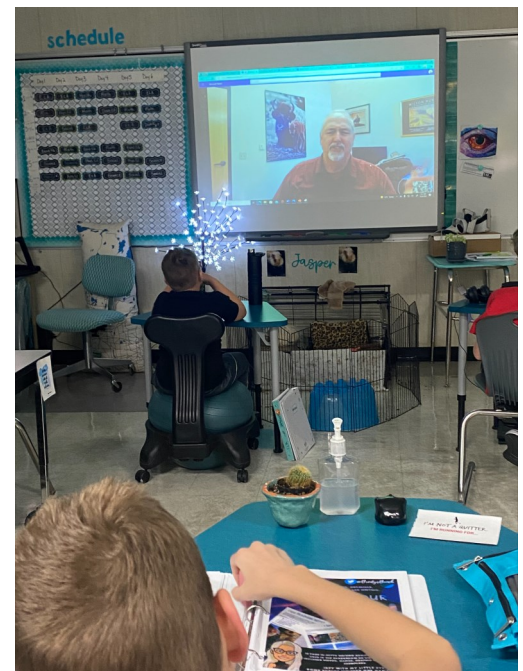

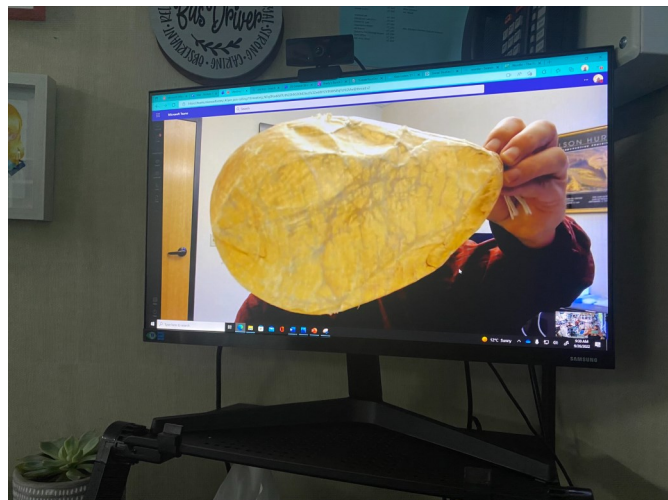

We attended the second part of Gmac's and Agriculture in the Classroom's Farm to Table Food Tour. We harvested what we planted in June, learned about how our pickings can get turned into the ingredients used to make burgers and fries, toured an old schoolhouse, and we learned about farm equipment and farm safety. We also were very lucky to have our own bee farmer in our school. Mrs. Green showed us an observation hive, equipment that is used, and gave us some delicious honey to taste.

This crew attended a virtual field trip to the Buffalo Bill Centre of the West to learn about the Plain Cree people for Truth and Reconciliation. We learned about the language and traditional lifestyle of the Plains Cree and Nakota. We also learned about the many uses of the Buffalo. Can you say bladder bag?? This was a great field trip!!

Gr. 5/6

SRC News

This year the SRC is made up of 14 students from grades 7-12.

We started the year with our executive elections.

Shawi Ronquillo was elected President, Mikayla Fensom was elected Vice President, and Ariel Donald was elected Treasurer. The SRC is excited to bring various events and school spirit to Eaton School this year. In September the SRC was involved in planning Orange Shirt Day, Terry Fox fundraising, and a pizza lunch. Two major events planned for October are a bake sale on October 20th and a Halloween Carnival on October 27th. Be on the lookout for all the SRC activities throughout the year.

Drama Club

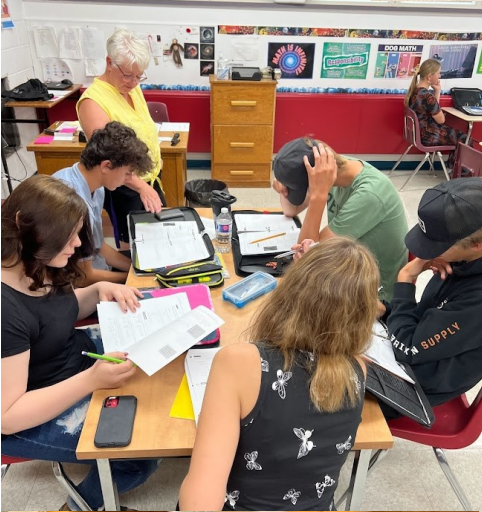

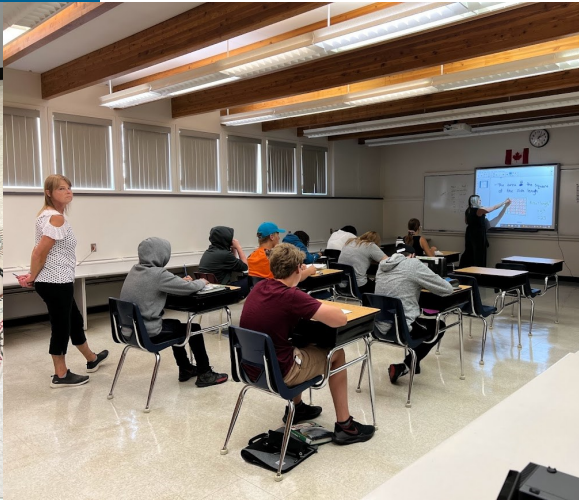

We are off to a great start and the enthusiasm from last year has carried over to this year. We have both new and returning members with a usual attendance of around 15 students. The students have already been practicing their improv and breathing skills. They are also beginning to prepare for a school wide performance in December which will have a holiday season theme. In addition to Mrs. Nunweiler and Mrs. Facca we are welcoming Mrs. Green and Miss Sukkhu in leadership roles. We are looking forward to hearing all their ideas and learn from their experience. Both the students and the leaders are looking forward to another successful year of drama.

Reaching for Tomorrow,
Celebrating Today

Education Week
October 16 to 22, 2022

For more than 30 years, Saskatchewan has recognized one full week to celebrate education. Education Week, from October 16 to 22, celebrates student success and the hard work and dedication of education professionals across the province. We encourage citizens to take some time during this special week to recognize the importance education has on our students and communities.

SCHOOL SPORT WEEK

October 9th – 15th

celebrating our Spartan Athletes

Junior Boys Volleyball

Congratulations to the Jr. Boys who played several back-to-back games with only 6 players at the Outlook tournament. They played hard against Kenaston in the final and placed second overall. Come out October 5th around 4pm to watch our first home game against Leader!

Midget Volleyball

Midget Volleyball would like to thank everyone who came out to support our home game as well as our helpers Mikayla, Jayanna, Taylor, Rihanna and Ryder Bredy. A huge thank you to our amazing coaches Addy Larock and Addisyn Connolly!! Special thank you to our parent drivers this year!! We are building some solid skills and have some killer serves on our team. Us coaches are beyond proud of the hustle of these players.

Junior Girls Volleyball

The junior girls' volleyball team is looking forward to another exciting season. Although we are a small team this year, our 8 girls have been working hard on the court and in practice.

The team this year consists of 3 grade 9 players who have experience and talent are there to anchor the team, 2 grade 8 players who are working to hone their skills and deepen their experience, and 3 grade 7 players who bring new blood and new energy to the team.

Coaching the team again this year are Mr. Hoult and Mrs. Facca. They are joined this year by Mr. David Bosch who has been sharing his volleyball knowledge with our girls and helping them build their skills.

So far we have already competed in games in Plenty and Eatonia, and we have more games coming up in Marengo, Kindersley, and Eston. As well our home tournament will be on October 15th, so be sure to come out and cheer on the Spartans!

GSA News

The GSA Club has started up again. We had our first meeting on September 12th and were happy to have new members join us! We discussed what we'd like to accomplish this year in GSA, with many ideas put forward. Our members are eager to do what it takes to make them happen, so we are looking forward to a positive year ahead!! We have been busy getting organized, working on unfinished business and decorating our new bulletin board.

We will be, once again, hosting our annual Halloween Dance on Thursday, October 27th!!

Hope to see everyone there!!

GSA Halloween Dance

SPARTANS UNITE!!! The Return of SUPER HAPPY FUN TIME!!!

#spartanpride #gospartansgo #spartanspirit

Like Terry Fox, Spartans are not quitters. All Spartans took part in the School Terry Fox Run. Then, they rose to the challenge to bring in their change to support cancer research. At a school-wide assembly, the SRC shared Terry's story. Then each class lined up the coins to see who had the longest line. Congratulations to the 5/6 class who had the longest line...over 30 meters! We will keep you posted on our total money raised!

To acknowledge the **National Day for Truth and Reconciliation** students at Eaton

School wore Orange Shirts and participated in a variety of activities. They each created an individual feather based the seven sacred teachings in grades k-7. The feathers were put together to create large wings that they posed with. They created orange shirts in honour of recognizing the children who endured residential schools. Their shirts reflected traditional Métis beaded art. Students participated in a virtual field trip where they learned about First Nation and Métis and Inuit uses for the buffalo. One student of Cree heritage shared a piece of her Cree culture with her classmates and made both traditional and birthday Bannock for the whole school. She even taught her classmates to say pahkwēsikan awa, which means the bread tastes good in Cree.

Eaton School Community Council

The Eaton School Community Council (SCC) is looking for new members!

You may just be the person we are looking for!

The SCC is a group made up of parents, students, community members and school staff. The goal of the SCC is to engage parents and the community in the learning and well-being of our youth and to support Eaton School goals and activities.

The SCC meets once a month, September - June.

Some past activities the SCC has supported are an annual Reading Challenge, Book Exchange, in-school and online Family Bingo, monthly Healthy Snack for grades K-12, student mental wellness kits during exam week, Welcome Back Family BBQ and Dance, Welcome Back Family Pancake Breakfast, Family Ultimate Warrior Challenge and Family Scavenger Hunt. Our first event this year is a Spartan Pumpkin Scavenger Hunt. Info attached!

Don't want to join the committee? We have a volunteer bank too where you can help with events or activities that the SCC organizes.

We are always looking for ways to support our students and staff so please contact us with any suggestions.

If anyone would like more information or has any questions, you are welcome to attend the annual meeting or contact any SCC Member: Kim Becker, Anna Guidinger, Lindsay Larock.

A huge THANK YOU to Amy Knutilla (Chair) and Nicole Perry (Treasurer) for all they have done for our students, school and community as members of the SCC. You will be missed, Amy and Nicole!

Student Violence Threat Risk Assessment

FAIR NOTICE

Sun West School Division is committed to creating and maintaining school environments in which students, staff, parents/guardians/caregivers and others feel safe. Schools cannot ignore any threat of violence.

What is a threat?

- An expression of intent to do harm or act out violently against someone or something
- May be verbal, written, drawn, posted on the Internet, or made by gesture

Duty to Report

To keep school communities safe and caring, staff, parents/guardians/caregivers, students and community members must report all threat related behaviors to the school principal.

What is the purpose of a Student Violence Threat Risk Assessment?

- To ensure and promote the emotional and physical safety of students, staff, parents, the student making the threat, and others
- To ensure a full understanding of the context of the threat
- To understand the factors that contribute to the threat maker's behavior
- To be proactive in developing an intervention plan that addresses the emotional and physical safety of the threat maker
- To promote the emotional and physical safety of all

What behaviors warrant a Student Violence Threat Risk Assessment to be initiated?

A Student Violence Threat Risk Assessment will be initiated for behaviors including, but not limited to:

- Serious violence or violence with intent to harm or kill
- Verbal/written threats to harm or kill (clear, direct, and plausible)
- Online threats to harm or kill others
- Possession of weapons (including replicas)
- Bomb threats (making and/or detonating explosive devices)
- Fire starting
- Sexual intimidation or assault
- Gang related intimidation and violence

What Parents and Students Need to Know?

- Any threat must be reported to the school principal
- Investigation may involve the student services counsellor, the police of jurisdiction, or other community agencies
- Investigation may involve locker or personal property searches
- Interviews will be held with the threat maker and other students or adults who may have information about the threat
- Parents of students who are directly involved will be notified
- Threatening behavior may result in disciplinary action
- An intervention plan may be developed for the student making the threat and a support plan developed for any individuals targeted by threats.

The information in this brochure reflects the thinking and work of J. Kevin Cameron, Director of the Canadian Centre for Threat Assessment and Trauma Response.

The complete West Central Community Threat Risk Assessment and Support Protocol may be found on the Sun West School Division's website at www.sunwestsd.ca.
