Eaton School Highlights from 2022-2023

The end of a new school year is here?!?! Boy, did the 2022-2023 school year fly by! It is only fitting that we take a look back at the many highlights that occurred this past year and celebrate the successes of Eaton School, our students and staff.

- Eaton School has made progress and continues to strive for further growth and success in the areas of personalized learning, family and community engagement, and mental wellness. Our dedicated staff work to make our school a welcoming place for all students.
- At the start of the school year, teachers identified any gaps in Reading, Writing, and Math. Personalized Goals in these areas were created for Gr 1-9 students in late fall and communicated with parents/guardians. A plan of action was developed and worked on throughout the remainder of the school year to support students in the successful realization of their personalized goals.
- Staff members have always provided students with many extra-curricular opportunities. Extra-curricular activities span Grade 1 to 12 with the majority in the Middle Years and High School. These include 6-Man Football, Volleyball, Basketball, Badminton, Soccer, Track and Field, Power Hour, Drama, GSA, Yearbook, SRC, Team Sun West and the Sun West Youth Consultation Group. This is possible with the commitment of staff, the volunteerism of community coaches, and forming co-ops with other local schools.
- Of special note, Eaton School has created an outdoor learning space with the incredible support of our community, corporate and private donations, and many, many hours of volunteer labour. The Spartan Outdoor Space (S.O.S.) provides students with the opportunity to take learning out of the building into the outdoors and appeals to our kinesthetic learners. Learning in the Outdoor Space promotes the study of horticulture and agriculture which are a focus within the community of Eaton and surrounding area.
- This year, Eaton School was one of only 36 schools to be awarded a \$5000 grant by the Canadian Playful Schools Network (CPSN) Eaton School's focus for this grant was to make an incredible Spartan Agricultural and Indigenous Outdoor Play Space. The goal was to provide opportunities for students to be engaged in learning about the land and Indigenous perspectives and for teachers to teach content in a hands-on way.
- A SWAY was created for daily announcements to increase communication amongst staff, students and parents. Staff all have editing permission to add announcements. A link was provided to parents so they can check announcements digitally as children don't always pass along what is happening at school. A very positive response about this SWAY was received from parents and the SCC.
- Both a Meet the Teacher Night and a Family Literacy Night were held this year.
- Tri-Conferences - Eaton always has an excellent turnout for Conferences. This year, 96% of families engaged in a meeting with their child(ren)'s teacher(s) in person or via a phone conversation in October and 98% participated in March.
- The MADD Smartwheels RV Presentation for the Gr 4-6 students was very educational.
- During Education Week, Marcella Bird, Liz Zdunich and Kelli Boklischak came to Eaton to look at a display of Indigenous artifacts that we have at Eaton School. Marcella spoke with Gr 1-6 classes about the artifacts and shared her knowledge. Liz engaged Gr 1/2 and 7/8/9 students in dot painting.
- Eaton School Land Acknowledgment statement was created through a process which involved staff, students, SCC and parents.
- Lyndon Linklater joined Eaton School students and staff to assist with setting up the tipi. He passed on tipi teachings and his knowledge to students and staff.
- SCC First Annual Staff/SCC Vs. Graduating Students slow-pitch game was a hit and we are looking forward to next year's game.
- We held a Mock Interview Day that provided practice job interviews with Gr 5-12 students and business owners in the community which gave students a look at real-world applications.
- Two successful plays put on by the Eaton School drama club – one at Christmas and one in May.
- The return of Super Happy Fun Time was specifically designed to build school culture and encouraged school spirit and co-operation amongst the traditional school teams of Emerald, Hematite and Sapphire.
- We hosted a stretch/mobility clinic led by Tammy Nunweiler for school and community athletes.
- Eaton Gr 7/8s continued with the Young Entrepreneurs program (PowerPlay) and another successful business fair. Our PowerPlay team was invited to the PowerPlay Innovation Day and to the PowerPlay Showcase.

- We enjoyed the full return of many school-community events after the COVID disruption including: Hallowe'en carnival, SCC bingo, Christmas concert, Strawberry Social, SCC family dance, Spartan Turkey Dinner, Elementary Christmas Boogie, SCC Pancake breakfast, Scholastic Book Fair, Hallowe'en Pumpkin carving, Remembrance Day service, curling, etc. Community members contributed a lot to the school through coaching and volunteering at these events.
- Students were fortunate to see great performers and guest speakers including – Illuminance, Tammy Nunweiler, Cody Deaner, Dance Saskatchewan, D Jay McGrath, Brian Kirkness, Liza Dahl, etc.
- A successful Band trip to the Cantando Music Festival goes in the books.
- RCMP School Liaison Office participated in a school lockdown. Constable Chen also spoke with Gr 5-12 students regarding the legalities of social media.
- Grad 2023 – 9 Grade 12 students achieved Graduation status.
- Many field trips, including: SCUBA diving for 11/12 Phys Ed., Steve Mealey tribute concert for junior and senior bands, farm to table trips for grade 3/4, Kindergarten trip to Fire Hall and to Dearborn's Farm, North Battleford trip for grade 3/4, Luseland trip for grade 5/6, grade 5-8 Wanuskewin Trip and Grade 1/2 field trip to Becker Farms and to Kindersley for hiking and bowling.
- Grade 5/6 planned, organized, communicated and collaborated to put on an incredibly well-run Track and Play Day for Kindergarten to Grade 4 students. They were supported by staff, SCC and parents.
- We welcomed next year's Kindergarten students by inviting them to join the current Kdgn class for an afternoon and to bring their parents to a "Meet the Teacher" evening to learn about Kindergarten expectations.
- Facility improvements including installation of permanent wall mats in the gym, a digital wall clock for the gym (pending), installation of new play-ground equipment, etc.
- The annual Colour Night Awards Ceremony recognized students for their academic, athletic, and arts achievements.. We also recognized staff for their commitment of time to student activities. Graduates received scholarships and bursaries. Eaton School is very proud of each and every one of their students' accomplishments.
- The School Community Council continued to support Eaton and engage families by hosting a Pancake Breakfast, a BBQ, a reading challenge, a book exchange, a Bingo, monthly healthy snacks, a family dance, and more.

As you can tell, Eaton students had a great year of learning, both in and outside of the classroom, and growing! With the warm days of summer upon us, everyone is very much looking forward to a couple of months to relax and recharge. Enjoy your summer and we will see you again in the fall!

FAREWELL!

There are a number of staff who will be leaving Eaton School this year after dedicating many years to the education of our students. Although we are sad to see them go, we would like to recognize their years spent at Eaton School and wish them all the best in their new adventures.

Mrs. Perry has only been with us a short time, having joined Eaton School in 2021. She has really enjoyed the past 2 years at Eaton, working as an EA, mostly in the Grade 1 and 2 classrooms. She has helped students with their reading, writing and math and shared her crafting and art abilities with them. As well, she has been an active member of our School Community Council for 8 years, and spent much of that time acting as Treasurer for the SCC and working to make Eaton School a better place for all. We would like to thank her for the time she spent with the students here at Eaton School and wish her all the best in the future!

Eaton would like to extend congratulations to Mrs. Facca on her retirement. Mrs. Facca first joined Eaton School in 2009 as an Educational Assistant. While she began in the elementary end of the school, she soon also became a fixture at the high school end and worked diligently in all areas of the school. She made the trip up and down the hallway (and up and down the stairs) several times each and every day to wherever she was needed to support our students. Aside from her work as an EA, Mrs. Facca has also served as an SRC advisor, a volleyball coach, a drama instructor and much more during her time here at Eaton School. Her volunteerism and support of our students over the years has been second to none and so greatly appreciated. We would like to wish Mrs. Facca a very happy retirement. Enjoy the days on your schedule whether that be in the garden, spending time with your grandchildren, travelling or whatever your heart desires!

Mrs. Charnetski joined Eaton School staff in 2015. During her 8 years at Eaton School, she has held a variety of roles including middle years teacher, elementary teacher, kindergarten teacher, high school teacher and student support teacher. She happily took on whatever role was thrown at her as she truly enjoyed working with students of all ages. Mrs. Charnetski has also volunteered her time to help out with many school activities like volleyball, basketball, track and field, and has acted as an advisor on both the GSA and the SRC. Mrs. Charnetski will be leaving us for a position in Leader School next year where she will be teaching Grade 6. She is excited to be closer to her family and will likely be glad to not have to make that drive in the winter. As she will be just across the river, there is a good chance we will still get to see her - only now as an opposing coach instead of a home-town supporter. Despite our inevitable future rivalry, we would like to wish her all the best in her new position.

No one knows for sure how long Mrs. Follensbee has been at Eaton School, not even Mrs. Follensbee herself. Mrs. King recalls teaching with Mrs. Follensbee back when their kids were in elementary school in the 2000s. She taught in the grade 4/5 classroom to begin with, but she made the move to grade 1/2 in September 2007 following Mrs. Bailey's retirement. During that time, she has taught an uncountable number of Eaton School students how to read, how to write, how to self-regulate, and more. Mrs. Follensbee has also been an active member of Eaton School's extracurricular program, whether coaching or managing volleyball, basketball, badminton and track, or providing fun and fitness for younger students through her elementary Power Hour Program. Mrs. Follensbee has dedicated countless hours of her time to the students at Eaton School, and all of us students who got to spend our formative years learning from her are grateful for her time and dedication. Sadly for Eaton School, Mrs. Follensbee has decided to retire this year. Therefore, we would like to take the opportunity to wish her well on the many new adventures that might come her way including walking, cross-country skiing, travelling, and family time. We hope she finds the same joy in retirement that she has brought to countless Eaton School students.

Eaton School pins and a picture of Eaton School were presented to each of these staff members on behalf of the students and staff at Eaton School. These tokens of our appreciation are to remind them that they will always be Spartans at heart and to thank them for being integral parts of Eaton School during their time here. Congratulations and all the best to Mrs. Perry, Mrs. Facca, Mrs. Charnetski and Mrs. Follensbee!

Mrs. Perry for all of your years of service at Eaton School.*

The students and staff will miss you!

Best of luck to you all

Thank you to everyone for making my time here at Eaton School enjoyable. I will miss you all! Mrs. Perry

I would like to send out a huge thank you to the students and staff of Eaton School as well as community members for the kind words you extended to me at Colour Night. I have thoroughly enjoyed all my years here at school and have many, many great memories. Mrs. Facca

Thank you to everyone for being part of this wonderful journey. I will cherish those memories forever. Teaching at Eaton School has been the most fulfilling experience of my life. Mrs. Follensbee

I just wanted to take a minute to say thank you to all the students, staff, and families for making me feel so welcome in Eaton. I have enjoyed all of my years here and as sad as I am to go, I am looking forward to my next adventure. See you on the south side of the river! Mrs. Charnetski

GSA

Eaton GSA would like to thank everyone who made our year a great one! We would like to acknowledge Sask. Lotteries for their continued support of our program! It means so much! As we look back on this year, we remember the good times! Our annual Halloween Dance was a blast, and everyone had a great time at our first Games Night! We had a few challenges this year, but we persevered and championed through! We are looking forward to trying new things and making new memories!

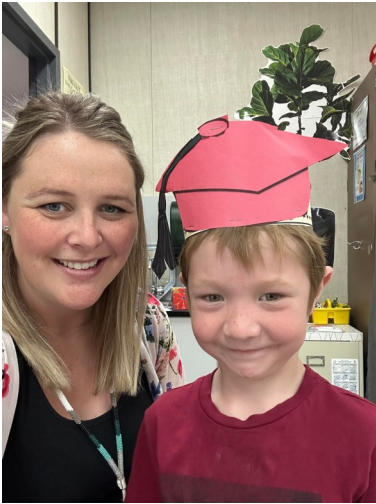

We will be saying good-bye to Mrs. Charnetski, who has been a longstanding member of our club. We will miss her positivity, kind heart, willing spirit and beautiful smile!! We wish her all the best in her new position and hope to get together with her whenever we can! We would also like to wish staff and students a safe and happy summer!

COLOUR NIGHT 2023

Students, parents, staff, special guests, and community members gathered to celebrate the 46th annual Colour Night Awards Ceremony on the evening of Tuesday, June 20th. Eaton students have a long tradition of excellence in the academics, arts and athletics. Since 1977, Eaton Staff has been proud to recognize the students in Grades 7 through 12 for their special skills, abilities and talents.

A special thank you to the various groups who make it possible for our students to receive Special Awards, Bursaries and Scholarships and to those who took time to join us to make those presentations. As well, Eaton School would like to thank Maggie Schwartz and Adam Becker for serving as M.C.s, and Ryder Bredy and Clayton Longmuir for helping with the award presentations.
