A BIG THANKYOU TO

To the SCC for providing teachers with supper during conferences. Their thoughtfulness is so appreciated.

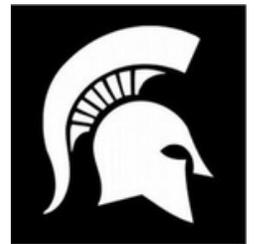

EATON SCHOOL

2023/2024 Kindergarten Registration

2024-2025

Eaton School is now taking registrations for next year's Kindergarten class beginning in the Fall of 2024. To be eligible, a child must be at least five years old before December 31, 2024. To register your child, please use the following link:

<https://permission.click/jDBLG/ca>

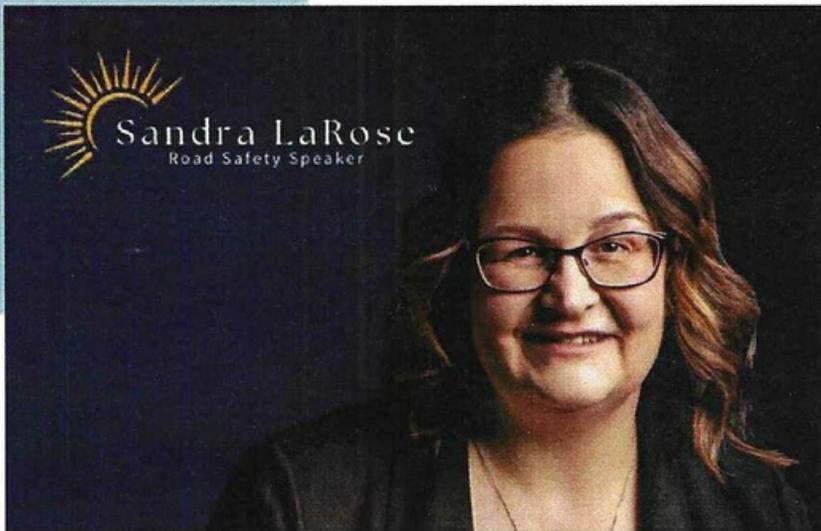

Please pass this information on to parents who do not have any students in school or do not follow social media.

In order to assist with planning for next school year, it would be appreciated if parents could please register their child.

If your child will be riding the bus, please complete the Transportation Request form using the link on the Registration form.

Information regarding a date to "Meet the Kindergarten Teacher" will be sent to registered parents/guardians towards the end of this school year. At that time, we will require copies of your child's Birth Certificate or proof of Legal Guardianship and Saskatchewan Health Card to complete your child's registration. Please bring copies of these or the originals for us to make a copy to the Main Office or scan and email to eaton@sunwestsd.ca.

If you have any questions, please contact the school at (306) 967-2536.

Wednesday April 17th
1:00 PM
Eaton School Gymnasium
Grades 7-12
Everyone Welcome!

Kailynn's Story

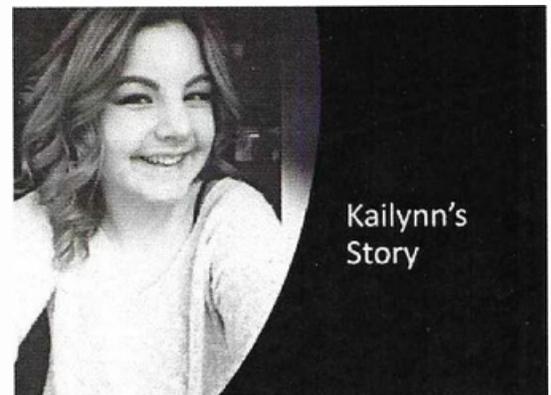

A 10 second glance away from the road can change your life forever.

August 16, 2018, changed my life forever. My 16-year-old daughter Kailynn was involved in a train vehicle collision near Weyburn, SK, Canada. Fighting for her life for 6 days, Kailynn died from severe head trauma on August 22. She had turned 17 just a day prior. The cause of Kailynn's accident was found to be driver inexperience and distracted driving.

Kailynn's Story is real, heartbreaking, and impactful. My goal in sharing this story is to educate others on how decisions they make when they get into the driver's seat can change their lives forever. Through photos, words, and song, I share my life as it is now, Kailynn's life as it was, and Kailynn's life that she missed out on.

Bio: Sandra is a road safety speaker, advocating for change in people's choices regarding distracted driving. Sandra is founder and president of Sharing Kailynn's Sunshine Foundation, and a Rail Safety Ambassador with Operation Lifesaver Canada. Sandra has been involved with both SGI (Saskatchewan Government Insurance) and Operation Lifesaver sharing Kailynn's story on both safety platforms. Sandra works full time in Regina helping support students at an adult educational facility. Sandra is a mother of two and lives with her husband on their farm near Tyvan, SK.

***Eatonia Agencies Ltd* along with
Saskatchewan Government Insurance
invite you to Eaton School to hear
Sandra LaRose shares her emotional and
important story about the devastating
effects on distracted driving.**

ALVIN LAW

It has been 10 years since Alvin Law was last at Eaton School, but his inspirational messages are still so valuable.

He shared with our K-12 students that even though peoples' perceptions can be negative, you can find ways to focus on the positive. Attitude is everything!

Alvin used his unique storytelling, musical performances, and humour to engage students and staff and to get these messages across.

A very special Spartan THANK YOU to the Eatonia Lions Club for generously sponsoring Alvin's presentation!

Thank you also to the Mantario Lions Club for their much appreciated donation towards Alvin's expenses.

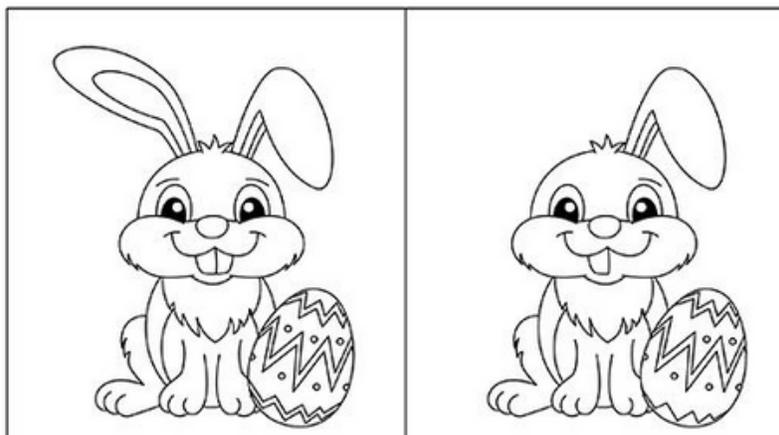

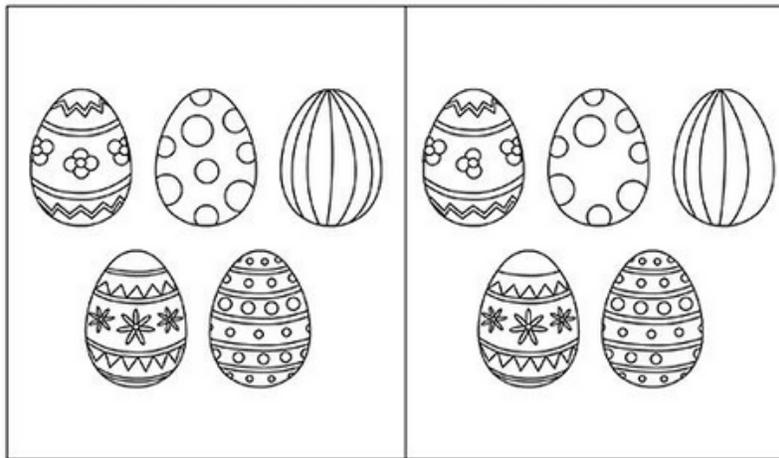

John Dunn, a wilderness explorer and photographer recognized in the National Geographic magazine, stopped at Eaton School this month. John has a passion for the vast and rugged landscapes of the Canadian Arctic. K-11 students were treated to John's inspiring, informative and visually stunning presentations based on his long skiing, kayaking and hiking expeditions on Canada's arctic islands and other wild areas of the country.

The Eaton School Community Council sponsored and promoted this event.

Thank you so much for providing our students with this opportunity!

Spot 5 differences!

We wanted to send out a Spartan Congratulations to our Grade 7-12 Band Students! On Monday, our Junior and Senior Bands performed as part of the Kindersley Music Festival! Both bands performed well and represented Eaton School proudly! A huge shout out to our adjudicator, James McCarthy, and the Kindersley Music Festival Association for their flexibility and willingness to ensure we could still perform. (Please note that all sanctions were followed).

What is 18 to Life?

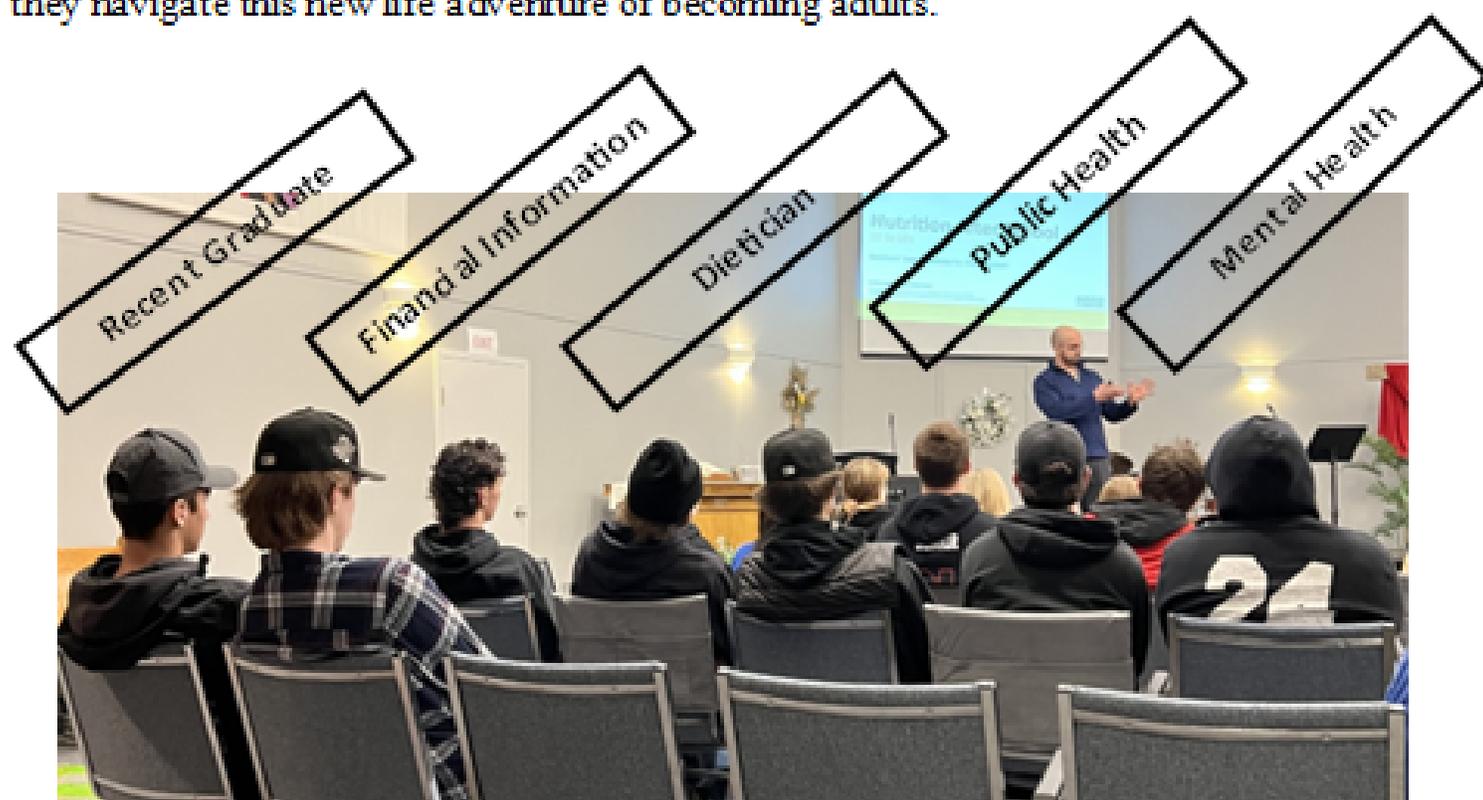

The transition from being a kid in school to being considered an adult upon graduation is a huge change in anyone's life. It can be exciting and overwhelming all at the same time - more responsibilities, opportunities and independence. Can anyone be fully prepared for this transition? Have we as parents, educators, health systems and communities done all we can to assist our youth in making that transition successful? These are the questions we have asked ourselves as students themselves are expressing their need to know more about what is to come and how they can prepare themselves as best they can.

18 to Life is a partnership between the Sun West School Division and the Saskatchewan Health Authority to help students learn about life skills they may need as they move onto post secondary education or the workforce. It is reported that youth and young adults between the ages of 15 to 24 are more at risk of suffering from a mental health illness or substance abuse than any other age group (Pearson, Janz and Ali (2013). This can especially be true as young people are moved out of their comfort zones, have new found independence and responsibilities and in many instances, are far away from their long-time support systems.

As a community partnership, 18 to Life strives to equip Grade 12 students with information and tools necessary after graduation for them to choose healthier lifestyle habits as they navigate this new life adventure of becoming adults.

Graduates attended this
very worthwhile day ! :)**

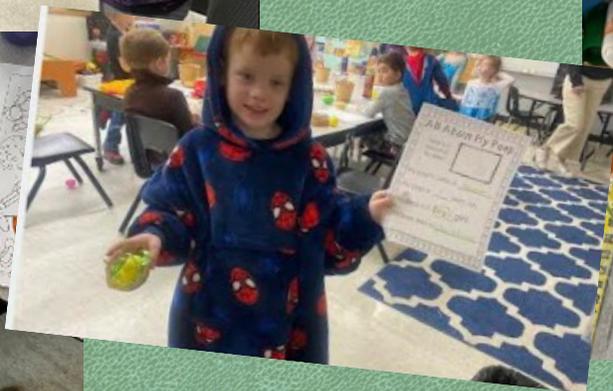

KINDER LAND

MISS TAYLOR

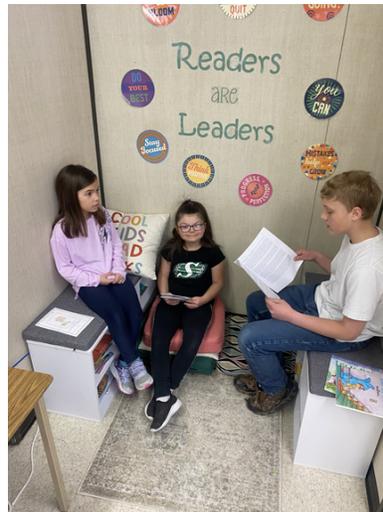

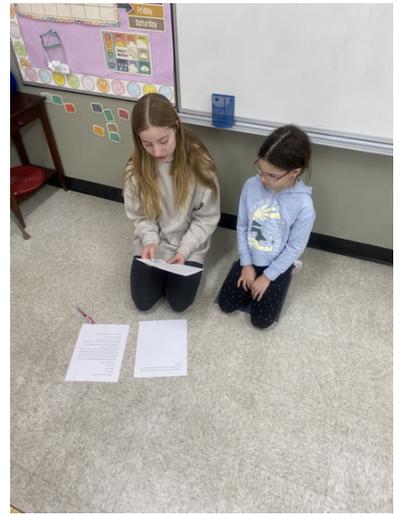

A few snapshots of our learning!

Our pretend play was Space!

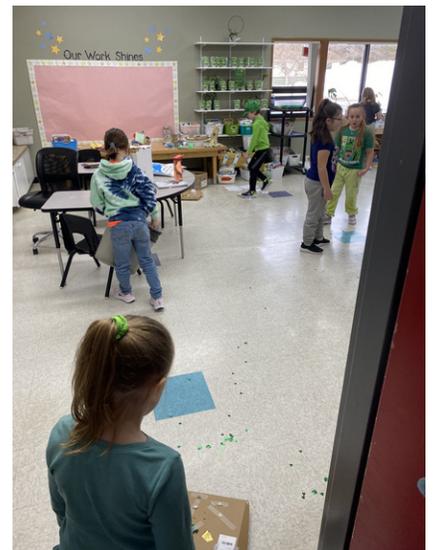

Gr.1/2

The grade 7 and 8's came to join us and we all shared stories that we all wrote.

Gr.1/2

We had a leprechaun come visit us in grade one and two. We set traps and he played tricks on us

power hour

Senior Boys' Basketball

It was another great season of senior boys basketball this year. Once again, the boys of the Eatonia/Marengo Warriors worked hard, practiced hard and played well. This year we played games in Eatonia, Eston, Kindersley, Kerrobert, Maple Creek, Biggar, and Herbert. Whether it was an away game or a home game, we could always count on lots of parent and fan support.

This year we had twelve players. Our grade 12's - Blake, Joel, and Branden, brought their experience and leadership to the team. Our grade 11's - Adam, Ronnie, and Johnny, brought their hard work and determination. Our grade 9's and 10's - Grady, Gared, Alex, Jhacob, Dustin, and Andrew brought their energy and enthusiasm. Together the hard work of these 12 boys made for a great season.

Mr. Hault and Mr. Rooke enjoyed working with the boys this year and thought it was great seeing how much their basketball skill and confidence grew throughout the season. We would like to thank the parents who took the time out of their busy schedules to drive us to our away games and to come and cheer us on. Also, we would like to thank the parents for their hard work in preparing our home tournament. While the weather may not have worked in our favour, it was awesome to see the great support we got from our parents.

Now that the season has wrapped up, we would like to wish all the best to our seniors as they move on to the next stage of their lives and look forward to another great basketball season with our returning players next year.

KINDERSLEY EARLY YEARS

FAMILY RESOURCE CENTRE

409 Main Street, Kindersley

West Central area's
Early Years Family Resource
Centre is a welcoming place
for all families prenatal to
age five.

WHY COME AND PLAY?

You'll find fun opportunities
that support the development
of young children in the

Saskatchewan
Health Authority

Newborn Feeding & Weight Check-In

Starting March 19, 2024

Date: Every 3rd Tuesday of the Month

1:00 p.m. — 3:00 p.m.

LOCATION:

Early Years Family Resource Centre

409 Main Street

Kindersley, SK

S0L 1S0

DROP IN (No appointment necessary)

Will not be available on Statutory Holidays

Many parents with newborns have concerns or questions about how their new baby is feeding.

No matter how you are feeding your baby, we want you to have the help you need to feel supported.

The Public Health Nursing Program is offering a free, newborn feeding clinic where your baby can be weighed, and you can receive education and support with feeding your baby.

Referrals to a Lactation Consultant, your physician or midwife or others will be provided as needed.

For more information please call: 306-463-1000 Ext. 2570

Healthy People, Healthy Saskatchewan

The Saskatchewan Health Authority works in the spirit of truth and reconciliation, acknowledging Saskatchewan as the traditional territory of First Nations and Métis People.
