# Thank you

Thank you to everyone who has supported our family since the passing of Steven Klarenbach. We have truly felt surrounded by love—through the phone calls, messages, flowers, and the incredible amount of food that showed up at the farm. It meant more than we can properly put into words.

Dad would have been deeply honoured by the amazing turnout at his service. Seeing so many people come—some travelling hours and even days—was a reflection of the impact he had on so many lives. Thank you for making that effort.

He also would have loved that so many stayed afterwards to share stories, a drink, and time together. Celebrating his life in that way felt exactly right.

We would also like to extend a heartfelt thank you to Dad’s home care team, Keri-Anne McManus NP, and all the staff at the Eatonia Health Center and Eatonia Living Oasis for the exceptional care they provided. You made a meaningful difference in his final month, and we are deeply grateful.

Your kindness and support have made an incredibly difficult time a little easier for our family. We are so grateful.

-The Klarenbach Family
