The Council of the Town of Eatonia, in the Province of Saskatchewan, pursuant to Section 23 of *The Municipalities Act*, enacts as follows:

1. This bylaw shall be known and cited as the “Water and Sewer Rates Bylaw” of the Town of Eatonia.
2. The charges to be paid by the water consumer whose water service has been turned on shall be those set out in Schedule “A” attached; provided, however, that the minimum shall be payable in every case whether or not any water is consumed.
3. Persons or businesses who own or occupy premises drained or that are by bylaw required to be drained into the sewer shall pay for such services a rental rate or service charge in accordance with Schedule “B” attached.
4. The charges set out in Schedule “C” attached shall be designated as capital infrastructure fee for funding capital utility projects. These charges are applicable to all persons who own or occupy premises to which property is serviced with town water and sewer utility services. The charges shall be applicable during temporary disconnection periods also.
5. Accounts for water service and/or sewer service shall cover a period of two successive months and shall be rendered on, or about, the first business day of the month next following such period. 6. Accounts shall be paid within a period of thirty days from the date on which such accounts are rendered. If an account is not paid within the period of thirty days, a 2.5% interest charge will be added on the first day of the month next following the billing and a notice sent to the consumer stating that the arrears are to be paid by the end of the month.
7. If an account is not paid within the period of sixty days from the day it is rendered, the water service may be disconnected. When the water service is disconnected, it shall not be reconnected until all arrears have been paid, together with a \$100.00 fee to cover disconnection/reconnection of the water service. No reconnections will be completed after 4:00 p.m. Monday to Friday or on weekends or holidays.
8. Unpaid utility accounts for service provided to a property may be added to and form part of the taxes on the property for which the utility service was provided, in accordance with Section 369 of *The Municipalities Act*.
9. Persons obtaining water from the coin operated water fill station shall be charged a rate of:
\$1.00 per 60 gallons
10. Bylaw No. 5/25 is hereby repealed.
