COUNCIL'S MESSAGE
October 2026

October has been a busy month as Council and staff continue preparing Eatonia for the winter season while moving several community projects forward.

Infrastructure Modernization
Council is moving forward with improvements to our sewer infrastructure through a manhole rehabilitation program. With the assistance of government grant funding, this project will focus on repairing and improving manhole liners throughout our community. These upgrades will help maintain and extend the life of Eatonia's sewer system. Work is anticipated to begin in 2027.

Landfill Decommissioning
Landfill decommissioning dirt work phase 1 was completed in June. The transfer bins are working well, with the RM of Chesterfield No. 261 now being the operator of the Transfer Station.

Yard Waste Pick Up
Town staff pickups will end for the season on October 27, 2026.
Reminder, Town staff will not pick up plastic bags as the plastic cannot be burned at the Transfer Station.

Contract Workers
The campground had another successful season and a thank you to Dee Cogger for all her hard work in keeping the washrooms spotless all season long. As well, a thank you to Ted Miller for mowing the cemetery this season.

Bylaw Enforcement
A new Bylaw Enforcement Officer has been contracted. This is a key element of keeping our Town safe and maintaining a welcoming appearance for residents and visitors.

Website
The town is working on a website update, we are excited to bring a more modern, user friendly experience.

From Council
Thank you to our Town staff, volunteers, and residents who continue to contribute their time and effort to our community. We look forward to keeping everyone updated as these projects progress.

Thank You

On behalf of our families we would like to extend a huge thank you to the community, our friends and all the families that sent their condolences, cards, dropped off meals, bakings, or desserts to us at this very difficult time. Although we have lost our mother we have been overwhelmed with the support from the community and want to let everyone know we really appreciated it.

This community has always meant so much to us, and we continue to be reminded how important community is in our lives. We look forward to continuing sharing our stories of mom with everyone and understand that we will be there for the next community member that needs the support when tough times arise.

Thank-you community of Eatonia, keep doing good things for people who live in or around this area. It truly means so much, and we are so proud of where we have come from and to be apart of this great place!

Regards: BJ, Kristin, Kristy, Cal, Kim , Brett and all of our families!

A Heartfelt Thank-you from Eatonia Oasis Living!

Our heartfelt thanks to everyone who contributed to the Eatonia Oasis Living Growing Project 2026!

Several local farming operations generously donated their time, equipment and expertise throughout this project. From seeding and looking after the pivot to spraying, applying and donating fungicides and insecticides, donating glyphosate, picking rocks and combining and hauling the canola, your contributions made this project a tremendous success.

A special thank you to the Town of Eatonia for providing the 128 acres of land and the use of the pivot at no cost to EOL. We are also incredibly grateful that all the seed and chemicals were donated this year, making a significant difference to our fundraising efforts!

We would like to recognize and thank the following farming operations and company sponsors for their generous support:

Larock Farms
Klarenbach Farms Ltd.
Hoffman Land & Cattle
Francis Family Farms
Duthie Farms
W&K Stevens Farms

Nutrien Ag
Simplot
Adama
BASF
AMHI Hail Insurance

A huge thank you to Kindersley and District Co-operative for providing gift cards to the farming operations that helped make this year's project possible. We truly appreciate your continued support!

The Growing Project is EOL's main fundraiser, with the proceeds going toward the upgrades and upkeep needed to support our facility. We are thrilled to share that the Growing Project 2026 raised an incredible $53,649.36!

This marks our ninth Growing Project and the fifth year that Larock Farms has spearheaded the initiative. We cannot thank you enough for the time, effort and dedication you continue to put into making this project such a success.

To all our farmers, sponsors, volunteers and supporters, thank you for once again showing what can be accomplished when a community comes together. Your generosity makes a real difference to EOL!

With sincere gratitude,
Eatonia Oasis Living Residents, Staff and Board of Directors.

EATONIA OASIS LIVING NEWSLETTER
October 2026

EOL (306) 967-2447
eatoniaoasisliving@gmail.com

Hello Residents, Families and Friends!

We've had lots going on around EOL these past couple of months, and it's been a great harvest and fall filled with plenty of fun and good memories.

For our October birthday party, Anne and Heather put on an amazing party full of delicious treats and desserts! They also brought along Bryan Swan's band who delivered amazing music for the occasion. It was so nice to see our residents enjoying the music.

We also had some very special visitors come by when Mrs. Bredy's Grade 5/6 class came to help with cleaning up the leaves around EOL. The resident love seeing all the kids out there working so hard and playing as well.

Rylan came again to do another paint class, the residents always love when he comes to show us his talents!

We also had Kristen come donate and help with decorating pumpkins with the residents. Even got a little piano concert from her daughter.

It's hard to believe another fall and harvest season has already come and gone. We've made lots of great memories over the past couple of months, and we're so thankful for everyone who came through our doors and helped make our fall time here a special one.

We hope everyone had a great fall, and we wish everyone the best for the next season upon us.
